Secrets and the New World Order uses these stories and the prophecies of the book of Revelation to expose the Man of Sin and the mysterious mark of the beast Written in easy to understand language this book is a must for the time in which we live Is there really a worldwide conspiracy Are there secret societies leading us toward a mysterious agenda Are there powers behind the scenes that we should be aware of Is there a world leader either in charge now or soon to take charge of the entire world scene Are there now plans being laid for a one world government What is the New World Order It is the intention of the author to reveal just such a hidden agenda The exposure will be done using the secret clues of Bible prophecy These secrets are hidden to those who do not care to know and yet open to those who choose to investigate

Antichrist Osiris: the History of the Luciferian Conspiracy Chris Relitz,2012-06-01 The Legends of many cultures claim that the world was once destroyed in a cataclysmic flood Many cultures also claim that someday the world will again be destroyed in a similar fashion In the Bible we are told that the disciples once asked Jesus if there would be a warning sign prior to this destructive event He said that there would indeed a sign Jesus said that whatever was happening in the Days of Noah will happen again before the end of this age The Bible has only a few verses about Noah's Flood So we are forced to turn to the ancient flood legends of over 350 other cultures to learn more about this prophecy But Noah's days did not end with the flood he lived for many years afterward He saw the creation of a tower in Babylon This is interesting because the Freemasons claim that their Order originated here Here is the most thorough examination of Freemasonry ever undertaken
