**Every Parent Needs to Know about Their Kids and Sex** Anne Marie Miller, 2016-05-17 Real Help for the Toughest Talks. Most parents dread talking about sex with their children. Anne Marie Miller loves giving the talk. As she has shared her personal story and talked about God's gift of sex with almost half a million young people, she's noticed some disturbing patterns. Google it: how kids learn about sex. Kids are learning about sex and viewing pornography earlier than parents think. The sexually abused often don't tell anyone for fear of getting in trouble. Sexual messages are being consumed daily through mainstream and social media. Most parents think their child is the exception. Instead of sweeping this topic under the rug, Miller wants to change the narrative. In this immensely practical and well researched book, she equips parents to have

meaningful and age appropriate conversations with their children about sex pornography and sexual abuse She advises parents on how to keep the lines of communication open so that their children know they can trust them with their fears struggles and mistakes Most important she offers hope to worried parents that their children can grow up with a healthy biblical view of sex as a gift from God      **Maximum PC** ,2003-06 Maximum PC is the magazine that every computer fanatic PC gamer or content creator must read Each and every issue is packed with punishing product reviews insightful and innovative how to stories and the illuminating technical articles that enthusiasts crave      *HWM* ,2007-10 Singapore s leading tech magazine gives its readers the power to decide with its informative articles and in depth reviews
