Darynda Jones, 2021-07-27 Laugh out loud funny intensely suspenseful page turning fun Allison Brennan on A Bad Day for Sunshine Running a small town police force in the mountains of New Mexico should be a smooth carefree kind of job Sadly full time Sheriff and even fuller time coffee guzzler Sunshine Vicram didn t get that memo All Sunshine really wants is one easy going day You know the kind that starts with coffee and a donut or three and ends with take out pizza and a glass of chardonnay or seven Turns out that s about as easy as switching to decaf What kind of people do that And who hurt them Before she can say iced mocha latte Sunny s got a bar fight gone bad a teenage daughter hunting a serial killer and oh yes the still unresolved mystery of her own abduction years prior All evidence points to a local distiller a dangerous bad boy named Levi Ravinder but Sun knows he s not the villain of her story Still perhaps beneath it all he possesses the keys to her disappearance At the very least beneath it all he possesses a serious set of abs She s seen it Once Accidentally Between policing a town her hunky chief deputy calls four cents short of a nickel that pesky crush she has on Levi which seems to grow exponentially every day and an irascible raccoon that just doesn t know when to quit Sunny s life is about to rocket to a whole new level of crazy Yep definitely a good day for chardonnay A Bad Day For Sunshine is a great day for the rest of us Lee Child

No-Body Homicides Mark Stobbe, 2023-05-05 No Body Homicides The Evolution of Investigation and Prosecution examines how police and prosecutors have become more successful in obtaining convictions for homicide when the remains of the victim are unavailable as evidence Based on an examination of over 600 cases in the United States and Canada this book shows the length some killers will go to avoid punishment and the determination of police and prosecutors

to bring them to justice For over 300 years murderers in the United States and Canada could avoid prosecution by successfully disposing of the body of their victim No Body Homicides provides the reader with a historical overview of prosecutions in which a killer destroyed or hid the body of the victim It explains why prosecutions were once extremely rare and how legal attitudinal and technical changes have made them more common The book also explores how the logic of no body homicide prosecutions differs from body present homicides It allows police and prosecutors to draw on the accumulated experience of hundreds of prosecutions For criminology students it provides fascinating insights into the process of investigating and prosecuting homicides as well as a glimpse into the motivations and practices of killers who are so determined to avoid punishment that they remove the bodies of their victims No Body Homicides will be of practical interest to police or prosecutors confronted with a missing person s case that could be sinister It is also written to be appropriate as a supplementary text in an undergraduate criminology class or for an aficionado of True Crime *Christian Companion* ,1906
