Lauren Rosewarne

Sexting And Cyberbullying Defining The Line For Digitally Empowered Kids:

Sexting and Cyberbullying Shaheen Shariff, 2014-12-29 Directed at policy makers legislators educators parents the legal community and anyone concerned about current public policy responses to sexting and cyberbullying this book examines the lines between online joking and legal consequences It offers an analysis of reactive versus preventive legal and educational responses to these issues using evidence based research with digitally empowered kids Shaheen Shariff highlights the influence of popular and rape culture on the behavior of adolescents who establish sexual identities and social relationships through sexting She argues that we need to move away from criminalizing children and toward engaging them in the policy development process and she observes that important lessons can be learned from constitutional and human rights frameworks She also draws attention to the value of children s literature in helping the legal community better understand children s moral development and in helping children clarify the lines between harmless jokes and harmful postings that could land them in jail

Sexting and Cyberbullying Shaheen Shariff, 2015 This book examines the lines between online joking and legal consequences and analyzes legal and educational responses to these issues

Bullying Among University Students Helen Cowie, Carrie Anne Myers, 2015-09-16 Bullying Amongst University Students is a pioneering collection of knowledge and evidence exploring the under researched phenomenon of bullying in universities

Abusive behaviour amongst young people is a serious and pervasive problem that is exacerbated by the rapid advances in electronic communication and in this book the authors highlight the problem and proceed to facilitate new practices and policies to address it This book brings together an international team of authors from a range of disciplines encompassing education psychology criminology law and counselling who have carried out research in the area of university bullying Addressing critical dialogues and debates the authors explore peer on peer violence intimidation and social exclusion before considering its effects on students and making recommendations for action and further research Key topics include Cyberbullying and cyber aggression Rape culture across the university Homophobic and transphobic bullying The impact of bullying on mental health The role of bully and victim across the lifespan Policies and procedures to address bullying International in authorship and scope this book will be an invaluable resource for students and researchers in fields such as education psychology sociology health studies and criminology It is also essential reading for university policy makers and union representatives responsible for the emotional and physical well being of students

eGirls, eCitizens Jane Bailey, Valerie Steeves, 2015-04-23 eGirls eCitizens is a landmark work that explores the many forces that shape girls and young women s experiences of privacy identity and equality in our digitally networked society Drawing on the multi disciplinary expertise of a remarkable team of leading Canadian and international scholars as well as Canada s foremost digital literacy organization MediaSmarts this collection presents the complex realities of digitized communications for girls and young women as revealed through the findings of The eGirls Project www.egirlsproject.ca and other important research

initiatives Aimed at moving dialogues on scholarship and policy around girls and technology away from established binaries of good vs bad or risk vs opportunity these seminal contributions explore the interplay of factors that shape online environments characterized by a gendered gaze and too often punctuated by sexualized violence Perhaps most importantly this collection offers first hand perspectives collected from girls and young women themselves providing a unique window on what it is to be a girl in today s digitized society Published in English

Criminalizing Intimate Image Abuse Gian Marco Caletti,Kolis Summerer,2024-01-12 Intimate image abuse is a recent endemic phenomenon which raises multiple legal issues and presents a significant challenge for the traditional institutions of law and criminal justice The nature of this phenomenon requires considering the traditional complexities of regulating privacy sexual offences and cybercrimes alongside the social and cultural issue of what may be considered intimate private or indeed sexual Since the harm experienced by victims of intimate image abuse is particularly serious and involves disparate legal interests criminal law has been invoked as one of the solutions but it is unclear what its role and limits should be The law s approach should avoid any moralistic attitude trying to achieve a balance between sexual autonomy and the protection of sexual privacy At the same time the needs of criminalization must be balanced with the traditional principles of criminal law Criminalizing Intimate Image Abuse strives primarily to generate new conceptual and theoretical frameworks to address the legal responses to this phenomenon by bringing together a number of scholars involved in the study of intimate image abuse over recent years This volume compares the solutions developed in different legal systems The perspective is mainly focused on the comparison between the Anglo American criminalization model and that of continental Europe but there are also overviews of the criminalization trends in Asian and Latin American countries Once the criminalization of intimate image abuse as well as its theoretical and practical limits have been established the analysis focuses on possible new legal strategies complementary or alternative to traditional criminal justice such as restorative justice Finally in order to achieve an effective safeguard for victim survivors the book deals with the role of Internet Service Providers and bystanders in preventing intimate image abuse

Bullying, Cyberbullying and Student Well-Being in Schools Peter K. Smith,Suresh Sundaram,Barbara A. Spears,Catherine Blaya,Mechthild Schäfer,Damanjit Sandhu,2018-05-17 An innovative collection of perspectives on school bullying and cyberbullying from India Western Europe and Australia

Children as 'Risk' Anne-Marie McAlinden, 2018-10-04 Examines the social legal and cultural challenges navigating the boundaries of normal problematic risky sexual behaviours among peers

Adolescents, Rapid Social Change, and the Law Roger J.R. Levesque, 2016-08-01 This book reviews broad social changes affecting youth development and the inconsistency of the legal system in updating its approach to adolescents rights Legal experts examine current adolescent protections and offer research based proposals for revising laws that underserve or criminalize youth under the rubric of protection Focusing on the key areas of technology and media education and personal relationships chapters discuss legal responses to a range of challenges impacting young people including sexual exploitation the right to privacy military family issues and the school to prison pipeline The book s nuanced concept of legal protection credits youth with greater competence than currently afforded in hope that adolescents can take more ownership of their

evolving lives in a rapidly changing society Topics featured in this volume include How to balance freedom of expression with adolescents right to data protection The sexualization of media and its effects on youth attitudes and behaviors The rising phenomenon of teenage sexting Protecting students sexual identity in private schools Youth sex and labor trafficking and possible solutions to alleviate the widespread crime Adolescents Rapid Social Change and the Law is a must have resource for researchers and professors clinicians and related professionals as well as graduate students in developmental psychology family studies public health educational policy and politics and social policy Cyberbullying and Sexting Elizabeth Agnew,2024-02-08 Drawing on two empirical studies and influential theoretical frameworks this book provides a critical overview of the key regulatory challenges concerning cyberbullying and sexting behaviours among young people persons under 18 years The author explores issues such as conceptualising the behaviours examining the prevailing presence of sexism myths and stereotypes surrounding gender roles and identity and the limitations of criminal law as an effective regulatory tool In doing so identifying peer based sexting behaviours as part of a continuum of sexual behaviour is promoted alongside the need to consider interventions beyond the legal landscape and in line with the United Nations Convention on the Rights of the Child In the main priority is given to non legal responses and the need for more effective and comprehensive gender sensitive education programmes The book therefore provides a more developed conceptual understanding of sexting and cyberbullying behaviours among young people **School Bullying and Mental Health** Helen Cowie,Carrie-Anne Myers,2017-07-20 Bullying amongst young people is a serious and pervasive problem and recent rapid advances in electronic communication technologies have provided even more tools for bullies to exploit School Bullying and Mental Health collates current research evidence and theoretical perspectives about school bullying in one comprehensive volume identifying the nature and extent of bullying and cyberbullying at school as well as its impact on children and young people s emotional health and well being There are many negative consequences of bullying and children and young people who have been victimised often suffer long term psychological problems such as increased levels of anxiety depressive symptoms social isolation loneliness and suicidal ideation Perpetrators of bullying also have a heightened risk of experiencing problems such as anxiety and depression as well as eating disorders and antisocial behaviour Founded on rigorous academic research this important book tackles the negative consequences of bullying and bullying culture itself by examining the social and cultural contexts that perpetuate such behaviour from childhood through adolescence and potentially into adulthood Containing contributions from an international team of authors this book explores current interventions to prevent and reduce school bullying and to alleviate its negative effects on the mental health of children and young people In depth discussion of the profound implications of this research for researchers practitioners and policymakers makes this book essential reading for those interested in bullying culture and the mental health and well being of children and adolescents **Cyberbullies, Cyberactivists, Cyberpredators** Lauren Rosewarne,2016-01-25 Written by

an expert in media popular culture gender and sexuality this book surveys the common archetypes of Internet users from geeks nerds and gamers to hackers scammers and predators and assesses what these stereotypes reveal about our culture s attitudes regarding gender technology intimacy and identity The Internet has enabled an exponentially larger number of people individuals who are members of numerous and vastly different subgroups to be exposed to one other As a result instead of the simple jocks versus geeks paradigm of previous eras our society now has more detailed stereotypes of the undesirable the under the radar and the ostracized cyberpervs neckbeards goths tech nerds and anyone with a non heterosexual identity Each chapter of this book explores a different stereotype of the Internet user with key themes such as gender technophobia and sexuality explored with regard to that specific characterization of online users Author Lauren Rosewarne PhD supplies a highly interdisciplinary perspective that draws on research and theories from a range of fields psychology sociology and communications studies as well as feminist theory film theory political science and philosophy to analyze what these stereotypes mean in the context of broader social and cultural issues From cyberbullies to chronically masturbating porn addicts to desperate online daters readers will see the paradox in popular culture s message that while Internet use is universal actual Internet users are somehow subpar less desirable less cool less friendly than everybody else

Esercizi di ricerca Vanna Boffo,Fabio Togni,2023-05-19 Pu oggi la ricerca avere un compito politico e trasformativo Pu diventare il motore della riforma del Welfare a tutti i suoi livelli e diventare uno strumento dal profilo sociale A queste e a molte altre domande cerca di rispondere la presente raccolta di studi e ricerche che racconta i percorsi di ricerca del Dottorato in Scienze della Formazione e Psicologia e con i suoi temi e le sue configurazioni si pone su uno dei solchi pi promettenti dell attuale trasformazione dell Alta Formazione Con il DM 226 2021 infatti l Italia ha riconosciuto come i Dottorati di Ricerca abbiano un ruolo fondamentale nella costruzione di un Welfare integrato in cui le esigenze sociali e le problematiche civili trovino nell attitudine alla ricerca una loro soluzione efficiente ed efficace **Handbook of**

Comparative Education Law: Selected Nations from Africa and the Americas Charles J. Russo,2019-08-09 Each of the four volumes in this set as well as each volume independently provide comparative analyses for researches practitioners and students of the law and education in examining law and education in various countries around the world Designed to allow readers to learn from rather than copy the legal and educational systems in these volumes the books are designed to generate thought and conversation on how education can be improved around the world By having chapter authors leading academicians in the home countries follow the same template so it can be easier to compare similarities and differences thereby helping to make the book user friendly The value of these books is that they should help to enhance international awareness of the similarities and advantages associated with bringing together knowledge from various countries concerning education law Volume 4 encompassing Selected Nations in Africa and the Americas namely Brazil Canada Mauritius United States South Africa and Venezuela consists of detailed analysis of educational law and systems in these representative

countries so researchers and students there and elsewhere can learn from one another Sexual Violence on Trial Rachel Killean, Eithne Dowds, Anne-Marie McAlinden, 2021-02-28 Sexual Violence on Trial provides a contemporary critical examination of the investigation prosecution and cultural contexts of sexual violence It draws on Northern Ireland as a case study while also drawing on experiences from other jurisdictions across the United Kingdom and island of Ireland Public and academic debates concerning the high profile Belfast Rugby Rape Trial and the subsequent Gillen review of the arrangements to deliver justice in serious sexual offence cases have been mirrored at a global level with movements such as MeToo and TimesUp This book brings together the perspectives of practitioners and academics to discuss contemporary challenges surrounding the societal and legal framing of sexual violence It examines key aspects of the criminal justice process including the challenges of supporting victims of responding to a range of forms of sexual violence such as rape peer abuse intimate partner violence and forced to penetrate cases as well as alternative perspectives and future reforms It also considers broader debates including balancing the interests of victims and defendants the impact of cultural myths and stereotypes the challenges of the digital age models of consent legal representation for victims and anonymity and publicity surrounding trials Written by leading authorities in the field Sexual Violence on Trial will be of great interest to students and scholars of Criminology Law and Sociology **From Birth to Sixteen** Helen Cowie, 2019-01-22 This new edition of From Birth to Sixteen outlines children s physical social emotional and cognitive development from infancy through to adolescence In both its practical application of research and its contribution to the assessment of child development this text provides essential reading for students and practitioners in nursing health visiting play work youth work early years education teaching social work and occupational therapy This innovative and broad ranging text is accessible and engaging with case studies tables and references to relevant studies making links to professional practice throughout Taking into account the diversity of ways in which children develop including considerations of gender ethnicity social background disability and resilience it presents developmental models for the years from birth to sixteen under each of the following themes children s rights and responsibilities relationships in the family relationships in day care at school and with the peer group language and communication children and the media health and physical development mental health This fully updated new edition offers additional content on topics such as attachment theory the neuroscience of the brain sleep patterns multi lingualism in childhood disability making the transition to young adulthood and impact of war and other forms of adversity on emotional health and well being A companion website offers additional teaching and learning resources for students and lecturers From the foundations of the subject through to its application in practice From Birth to Sixteen provides an indispensable companion for those studying child development or working with children

Sexting And Cyberbullying Defining The Line For Digitally Empowered Kids Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Sexting And Cyberbullying Defining The Line For Digitally Empowered Kids PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Sexting And Cyberbullying Defining The Line For

Digitally Empowered Kids PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Sexting And Cyberbullying Defining The Line For Digitally Empowered Kids free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Sexting And Cyberbullying Defining The Line For Digitally Empowered Kids Books
