Sh T My Dog Says:

Sh#t Your Ego Says James McCrae, 2017-02-21 Don't read this book your Ego says Your life could change And that scares me Sometimes our worst failures lead to our greatest transformation In 2012 James McCrae left behind a comfortable life in Minnesota and a successful career in advertising to move to New York City and pursue his dreams of being a writer Soon after he arrived Hurricane Sandy ripped through the eastern seaboard New York City was underwater and James jobless and running out of money was suddenly homeless Fleeing to the island of Culebra for refuge James sat alone on Flamenco Beach while his greatest doubts and insecurities rose to the surface What he discovered was his Ego and it had a lot of sh t to say This story of adventure redemption and transformation reminds us that we all have two voices inside us the Ego and the Higher Self The Ego is our reactive attached mind that tells us we're victims of circumstance The Higher Self is our source of intuition and imagination that reminds us we're the creators of our reality Sh t Your Ego Says exposes the battle between these voices With arresting honesty and candid compelling prose James takes you through practical strategies for overthrowing your Ego and reclaiming a life of creativity and freedom Whether you're looking to achieve meaningful career success improve your relationships or unlock your imagination this book provides a no nonsense roadmap to living with purpose

empowers us all to make positive changes in life The second part of the book deals with the effects of a loss of respect in the world These chapters cover the subjects of politicians the environment the press religion families communities and our own spiritual needs Frances reminds us that we control the destiny of our world and asks us to work with her in the Footsteps Movement with Jesus guidance to begin the healing process "I'm Sorry, Am I Annoying You?"
