Shards Of Sunlight:

Shattered Sun John Gillette, 2015-08-28 Nine hundred years ago the Sun exploded It shattered into millions of pieces which swirled about the cosmos and eventually plummeted into the earth On that day the world was plunged into an eternal twilight Without the Sun life became dependent on its fractured remains the Sun Shards for survival They instantly became the most precious resources on the face of the earth If you had one you had light heat and the ability to grow food If you didn't you died a cold lonely death Here's the funny thing though Life goes on People adapt banners change and the world keeps spinning In this new age there is no day and no night just a never ending twilight The world is still a place of gods and monsters but now without the sun overhead these horrors have moved into the cities and alleyways to prey at all hours of the day This world still needs heroes someone to bring a light into the dark places and to make sure the boogeyman stays in his closet Do you have what it takes to shine Shards Of Aydor Noctis Novels, 2025-06-10 Nothing Kaelith had nothing no memories no loved ones no possessions no power Living through each day was an act of sheer willpower What now passed for home was a twisted land corrupted with an inescapable taint a place that clung to the bones of the forgotten The people here had learned to wield that corruption And Kaelith whether he wanted it or not was next in line to inherit that highly guarded legacy Alira had everything power fame and a home bathed in golden light untouched by the void that swallowed everything Yet her soul felt hollow Surrounded by brilliance she found herself yearning for something deeper something real And when she reached for it the world answered But wishes no matter how enticing always demand their price Shards of Aydor follows two souls from opposite ends of a fractured world one shaped by the voids the other by light Both drawn toward the heart of a broken destiny Both caught in the slow unraveling of secrets far greater than themselves As the remnants of a once whole world drift further apart only together can they hope to understand what truly shattered it and what still waits in the void I hope you enjoy Book One of the Shards of Aydor series Thanks so much for the support The Shard of Vyrath (BOOK 1) JAYDEEP DAS , 2025-01-31 In a mystical land overshadowed by the imposing Vyrath Mountains young Kaelen Eldrin feels an unsettling pull toward the unknown Haunted by strange dreams and a growing sense of unease in the stillness of the forest he embarks on a perilous journey with his companions Loran and Aedric to investigate ominous disturbances in the mountains Ignoring his sister Renna's concerns Kaelen is compelled by a mysterious shard he found believed to be connected to an ancient war between gods As they traverse the rugged terrain they encounter fierce shadowy beasts that challenge their very existence Kaelen discovers the extraordinary power of the shard which pulsates in tandem with a chasm filled with ancient symbols and echoes of a forgotten conflict There ethereal beings emerge charging Kaelen with a monumental task to restore the Balance that has been disrupted and to seek out the remaining shards that hold vast power The trio learns that their quest is not merely about survival but about confronting a past fraught with danger and ensuring the safety of their world With their destinies irrevocably intertwined they resolve to face the looming threats head

Osborn,2003-11 Thoughts The countless dancing shadows of the mind By close examination the mysterious inner light which cast them is found to possess a poetic storied voice which when in conversation with the curious hints at the existence of its source the infinite peaceful joyous soul The poetry of Inquiry into the Sun is a collection of such conversations between that inner light and the author curiously in search of his soul Awoke to melt into light a dainty illumination faint glow of incandescence Within without a sky dissolved into this radiation greenery attached itself the grasslands and trees and then quickly departed into the blaze what had become a sunny day now saw the sun itself a shadow and into the fires of love burned up the sun The indistinguishable quality of such a heat having no source cannot be fiddled with by deceptive malicious or accidental ways Intention save alone the pathway of discovery Handling delicacies for practice then wielding them as lasers Cutting thru daybreak the exterior of mass subsides Standing tall in miniature ness left to be found expected your You Lifting a finger to touch the mirrored face upon contact more than one resident Though as if to lookers on the warmth and approval of a congregate interested in the good of all gave thumbs up to a union match as the one became the other another One became both From the poem Hughe and Marta Stories of the Midnight Sun Daniel Hunt,2005-04 An excerpt from Stories of the Midnight Sun Tom moved to take the lead and Father Michael followed nearly at his side They cautiously moved down the slope under the shadow of bare trees whose branches rose above them like the hands of desperate petitioners imploring the moon The footprints were closer together and it appeared to Tom as if the left leg of the woman had been somehow injured for it drug in the snow He was surprised not to find a trail of blood No blood No blood It seemed so odd to him The whole night seemed steeped in a dream a nonsensical play that had no rhyme or reason What had happened to the woman Why had she not simply rung the doorbell Why had she turned away from the barn Why run into the night away from warmth and safety Why didn t she answer their calls And why for all that was holy did she turn down this darkened path out of the meager light of the moon toward the cold depths where the Old Maid ran like an artery through the heart of the ancient prairie It made Tom angry It made him scared He began swearing at regular intervals under his breath *The Bone Fire* György Dragomán,2021 Finalist for Le prix du Meilleur livre tranger France A Finalist for the Premio von Rezzori Italy Longlisted for the Prix Femina France From an award winning and internationally acclaimed European writer and for fans of The Tiger s Wife A chilling and suspenseful novel set in the wake of a violent revolution about a young girl rescued from an orphanage by an otherworldly grandmother she s never met **Remnants Of The Sun** J.A. The Shard of Asclepius Stewart F. Brennan, 2024-07-03 They are always watching Always listening Even when your phone is turned off they re still there with their ear pressed against your device s invisible back door They thrive in darkness and secrecy They control the economy and bend authorities to their will yet they remain faceless They are the silent force tightening their grip around our crumbling society and they will not stop until their power over the world is complete Who is this most malevolent secret organization that holds the strings of power They are known only as the Collective and their invisible reign across the world seemed unstoppable That is until a soul searching Montrealer named David Collins followed his intuition to uncover a broken shard of advanced ancient technology with the power to change everything As David continues to follow his intuition he finds allies within the Order of Hermes a secret organization dedicated to uncovering lost knowledge and bringing that knowledge to the world Yet the Order of Hermes must also keep those secrets safe from the Collective who would use such technology to consume the world in their greed With the help of his allies David begins to unlock the shard s mysterious powers of healing and destruction but in doing so he also draws the eye and ire of the Collective So begins a deadly chase across Quebec and New York State With the Collective s ruthless shadows constantly at David s heels will he be able to unlock the shard s secrets and use its powers to cure the world of the insidious Collective before it s too late
