## **Sharepoint Services 30 Installation Guide:**

*Mastering Windows SharePoint Services 3.0* C. A. Callahan, 2011-02-09 Windows SharePoint Services WSS 3.0 is the latest version of the collaboration tool found in Windows Server 2003 R2 and also the underlying technology of Microsoft Office SharePoint Server MOSS 2007. In this comprehensive book you'll go under the hood of WSS 3.0 and discover how to make it easy to share documents, track tasks, create common workspaces where teams can work collectively, set up discussion groups, and more. Includes essential techniques for site creation, administration, customization, security, and disaster recovery, and practical steps for migrating from 2.0 to 3.0. *Exam 70-667 Microsoft Office SharePoint 2010 Configuration Lab Manual* Microsoft Official Academic Course, 2012-04-03 This book is for students preparing to become certified for the 70-630 Microsoft Office SharePoint Server 2007 Configuration exam. The Microsoft Official Academic Course (MOAC) lessons correlate and are mapped to the Microsoft Certified Technology Specialist (MCTS) 70-630 certification exam. This text covers facilitating collaboration, understanding content management features, implementation of business processes, and supplying access to information essential to organizational goals and processes. Students master skills to utilize SharePoint sites that support specific content publishing, content management, records management, and business intelligence needs. The MOAC IT Professional series is the Official from Microsoft turn key Workforce training program that leads to professional certification and was authored for college instructors and college students.

**Beginning SharePoint Administration** Göran Husman, 2007-02-03 This practical guide covers the many uses of SharePoint 2003 as well as the differences between SharePoint Portal Server (SPS) and Windows SharePoint Services (WSS). In addition, the book will help you decide if you need only WSS or if you should also implement SPS. While the main focus is on planning, installation, configuration, and administration, you'll also learn how to customize SharePoint by creating templates, building your own Site Definition, and using FrontPage to enhance the look and feel of SharePoint sites. In addition, you will learn the business-critical methods of backing up and restoring your system. Microsoft MVP and author Göran Husman shares numerous tips for smart add-ons and utilities that will enhance the functionality of SharePoint by providing better navigation, the ability to integrate with other systems, and effective workflow solutions. His practical and easy-to-follow instructions will help you get your SharePoint environment up and running in no time. He even shows you how to make your eventual upgrade to SharePoint 2007 seamless. What you will learn from this book: How to install Windows SharePoint Services (WSS) and SharePoint Portal Server (SPS). Tips on what to focus on when customizing SharePoint. How to productively use SharePoint with Microsoft Office and Microsoft Outlook. Various ways to handle backup and restore procedures. The many free utilities and commercial third-party products that are available. How to create and work with intranet pages. Who this book is for: This book is for beginning SharePoint administrators as well as administrators who have been working with SharePoint for some time but may want to know more about how it works. A basic understanding of the Microsoft Windows operating system, including the Active Directory as well.

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
