MARTIN LUTHER

Martin Luther (1483-1546) was a German priest whose criticism of the Roman Catholic Church initiated the Reformation, which led to the rise of Protestantism.

As professor of Biblical Exegesis at the University of Wittenberg he compiled a list of Ninety-Five Theses which attacked the Church for selling indulgences (promises of God's forgiveness in return for money), and argued that faith alone is sufficient for salvation. He denied the authority of the pope and other aspects of Catholic doctrine, including transubstantiation, and wrote many books and pamphlets. In 1517 Luther nailed his Ninety-Five Theses to a church door, and thus the revolution began. Widespread discontent with the state of the church was set alight by Luther's criticisms.

In 1521 the Diet of Worms took place. It was a meeting called by the Holy Roman Emperor Charles V at Worms, Germany, to interrogate Luther and encourage him to withdraw his views. Luther, who had already been excommunicated by the pope, refused to retract, saying: "Here I stand. I can do no other. God help me." The Diet banned his works.

The Reformation was the key event of the century. From Germany it spread throughout northern Europe. New Protestant churches sprang up, inspired not only by Luther, but by the Swiss reformer Ulrich Zwingli, French theologian John Calvin, and others. They aimed to follow only the teachings of the Bible, getting rid of church traditions. Several powerful kings and princes supported them. Zwingli's views were more extreme than Luther's. In 1524 he banned Catholic mass in Zurich. This led to a civil war in which Zwingli was killed. Zwingli was followed by John Calvin, who completed the Reformation in Switzerland and influenced John Knox who took the Reformation to Scotland.

Both Catholics and Protestants used illustrated pamphlets and books to promote their views. New techniques of printing spread their ideas. The reformers, who wanted the Bible to be available to everyone, produced new translations of it and boosted overall literacy. (In 1526, William Tyndale, the English theologian, translated the New Testament into English.) Luther's German Bible and, later, the Authorized Version in England were so influential that they helped to shape the development of the German and English languages.

Although the Catholic church responded by introducing reforms from within, beginning with the Roman Catholic Council of Trent (1545-63), violent conflict between Catholics and the reformers (called Protestants because they were protesting Catholicism) followed. The Catholic reform movement was called the Counter-Reformation.

Spanish nobleman Ignatius de Loyola founded the Society of Jesus, or the Jesuits, as the missionaries of the Catholic Counter-Reformation. From 1550, Jesuits were in action all over Europe, and soon they began converting the peoples of the Americas to Christianity. Wherever traders went, Jesuits followed.

In England, Henry VIII took the helm of the English church because the Pope would not let him divorce his first wife. He dissolved the monasteries and took over their property, but allowed church services to continue in their old form. During the reign of his son Edward VI (1537-53), a Protestant government brought the Reformation to England. Church services were changed and church decoration was simplified.

Bishop,2009-11-01 For thousands of years religion has been a key element of human societies Whenever we as educators exclude or minimize religion s vast role in society we leave out a large part of our world s shared history This is a serious act of educational omission even neglect on the part of our nation s public middle and secondary schools particularly when adolescents are so ready to engage in meaningful conversation about the world that surrounds them Our book s central purpose is to provide middle level and high school teachers with the necessary background knowledge and pedagogical skills necessary to help adolescents become religiously literate learners and citizens Currently there is no text like ours on the market that both covers a number of world religions and presents concrete recommendations for teaching and learning this material Our book is meant to educate the following audiences teacher educators middle level and high school teachers in all content areas administrators school boards and parents For us educating for religious literacy is all about bringing adolescents into the 21st century of teeming religious and spiritual diversity a long neglected component of the multicultural curriculum in public schools In a post 9 11 world religious literacy requires that students understand the whats and whys of differing religious beliefs both in their own country and elsewhere It means looking for commonalities as well as differences between and among the great wisdom traditions both nationally and internationally It is about understanding how all of us might live peacefully in a religiously diverse world Our book accomplishes these goals by being informative practical experiential case based and above all accessible to beginners **Oswal - Gurukul History & Civics Most Likely Question Bank : ICSE Class 9 Sem II Exam 2022** Oswal - Gurukul,2022-01-09 Biblical Christianity Tamsin Ambrose,2024-10-03 Biblical Christianity explores the evolution of Christian denominations and their divergence from early church practices posing the thought provoking question How far have we strayed from the original teachings of Christ and His apostles This comprehensive book delves into the roots of Christianity comparing modern religious practices with those of the first century church and examining the gradual changes that have occurred over two millennia The book is structured in three main sections 1 An introduction to biblical Christianity and historical context 2 An analysis of major Christian
