*The Yoop* Christian Specht, 2002-11-14 It's the place where David Brendt and his buddies Hoover Buzz and Stan Slouski go to get away from it all. For twenty years it has served them well as a temporary refuge from the stress of modern life. Not that Dave's been there lately. With the young girlfriend and his partnership in a night club in Milwaukee, he's been just a little too busy to head north whenever the spirit moved him. But when the girlfriend bails and the business goes bust, Dave decides that it is high time to head for God's country. The Lodge is located on Spirit Lake in Michigan's Upper Peninsula. The Yoop Dave wastes no time throwing some fishing gear and liquor in the trunk of his car and putting Brew town in his rearview mirror. Along the way he meets Lisa, the ex-biker chick, Fuzzy the drunk, and Playmate Ashley, all with their own reasons for hiding out from the civilized world. He will also cross paths with Crash Maddox, an outlaw biker with a gang of ruthless cutthroats backing him up, and a score to settle with Lisa. When an unexpected forest fire bears down on Spirit Lake, everyone there finds themselves in a fight for their lives. Some will live and some will die, but in the end, even those who survive will never be the same.

*Maya's Aura - The Charred Coven* Skye Smith, 2019-04-15 Cover Flap This is the fifth novel in the Maya's Aura series. This naughty novel of magic and mayhem begins with Maya's visit to her great grandmother who lives on an island in Boston Bay. She gives Maya some family heirlooms, including a crystal pendant and an iron ring. The crystal causes her to dream. Not her dreams, but the dreams of the original owner, a woman from the late 1700s. In order to find out more about these mystical heirlooms, Maya travels to Cambridge, England, to track down her family's heritage. While partying at the infamous Strawberry Faire, she makes friends with some local witchlets who have just come out of the broom closet. She goes with them to a Witches Sabbath in hopes of meeting more experienced witches who may know more about her heirlooms. She meets all sorts of witches at the Sabbath: some skilled, some good, some fun, some fake, and some who are absolutely terrifying.

About the Author: Skye Smith is my pen name. My family convinced me not to use my real name because my stories are so critical of predator males. You'll understand and forgive me this as you fall in love with sweet Maya, my main character. For those of you who like stories about vampires, witches, and magic, you won't be disappointed by my very different, more realistic take on it all. My vampires are parasites wearing business suits. My witches are healers ignored by the modern world. My magic is based on aura's, and everyone has felt or seen an aura at least once in their lives.
