Ridiculous Customer Complaints And Other Statements Volume :

Ridiculous Customer Complaints (and Other Statements) David Loman,2014-11-14 The sequel to the Amazon No1 bestseller Ridiculous Customer Complaints And Other Statements Volume 1The customer is always right or so anyone or has ever worked in any service industry is repeatedly told In this series of books I have set out prove that statement is completely untrue and in fact with customers like these then maybe the opposite could be said As with the first book these excerpts and comments are all true as far as I am aware and though some you may have heard before I hope there are plenty that you haven't You made find some spelling mistakes and grammatical errors within these pages but please be aware these are left that way on purpose as in all cases this is the way they were originally written and that is what makes them funny So sit back grab your self a drink maybe a fruit cocktail this time and enjoy some of the strangest ridiculous and most outrageous complaints and quotations from all walks of life Three Crazy Careers Seventy-two Years Kenneth E. Nelson,2013-08 This account of three unplanned careers supports the theory that life does not pursue a set of plans As the author at ninety two explains to friends If it weren't for World War II I'd likely still be milking cows today While in elementary school Nelson and his older brother Roy became key parts of the family's dairy labor force He describes his official thirty year work career as a fertilizer salesman with clarity Companies bosses and fellow employees are named Each is given a candid appraisal Significant failures on his part don't appear to stand in the way of his advancement Nelson often sees this as pure luck or happenstance As an ad lib speaker following retirement he describes himself as several notches below President George Bush And yet almost thirty years and 4 957 speeches later high schools were still requesting his appearance when he decided to discontinue speaking engagements in the summer of 2011 Various stimulations triggered the writing of three books during the final fifteen years of his postretirement thirty year career The challenge of attracting publishers is described followed by Nelson's observations of the self publishing process *Analyzing the Absurd (vol one): The 12 Year Renaissance* John E. Epic,2013-01-04 Enjoy and be enlightened **Wisconsin Journal of Education** ,1898 **Yale Required Reading - Collected Works (Vol. 1)** Herodotus,Sappho,Homer,Hesiod,Alcaeus,Archilochus,Anacreon,Theognis of Megara,Simonides of Ceos,Bacchylides,Pindar,Aeschylus,Sophocles,Euripides,Aristophanes,Thucydides,Plato,Aristotle,Lysias,Demosthenes,Apollonius,Callimachus,Theocritus,Plutarch,Epictetus,Gilbert Murray,2021-09-03 Ancient Greek literature has a profound impact on western literature at large In particular many ancient Roman authors drew inspiration from their Greek predecessors Ever since the Renaissance European authors in general including Dante Alighieri William Shakespeare John Milton and James Joyce have all drawn heavily on classical themes and motifs Even today authors are fascinated with Greek literature and still great works of literature are based on ancient myths and plays The readers can still relate to these works of art and learn from them even though written two millennia ago _x000D_ This collection is based on the required reading list of Yale
