**Ripples in Time** Don Robertson, 2014-12-03 Ripples in Time brings us Don Robertson's poetic journey through life beginning with the first touch of spiritual awakening while serving in the US Navy and continuing through to the present day. The writings in this book are the inward reflections of an artist who on one hand struggles with the inconsistencies of life and on the other embraces the profound discovery of an inner world of divine spirituality. Republic of Apples, Democracy of Oranges Frank Stewart, Tony Barnstone, Ming Di, 2019-07-31 Republic of Apples Democracy of Oranges presents nearly 100 poets and translators from China and the U.S., the two countries most responsible for global carbon dioxide emissions and the primary contributors to extreme climate change. These poetic voices express the altered relationship that now exists between the human and non-human worlds, a situation in which we witness everyday the ways environmental destruction is harming our emotions and imaginations. What can poetry say about our place in the natural world today? Ecologically minded poets ask: How do we express this new reality in art or sing about it in poetry? And as poet Forrest Gander wonders how might syntax, line break, or the shape of the poem on the page express an ecological ethics? Eco-poetry freely searches for possible answers. Sichuan poet Sun Wenbo writes: I feel so liberated I start writing about the republic of apples and democracy of oranges. When I see apples have not become tanks, oranges not bombs, I know I've not become a slave of words after all. The Chinese poets are from throughout the PRC and Taiwan, both minority and majority writers from big cities and rural provinces such as Liangshan Yi Autonomous Prefecture and Xinjiang Uyghur, Tibet, and Inner Mongolia Autonomous Regions. The American poets are both emerging and established from towns and cities across the U.S. Included are images by celebrated photographer Linda Butler documenting the Three Gorges Dam on the Yangtze River and the aftermath of Hurricane Katrina on the Mississippi River Basin. *The Complete Poetry of Percy Bysshe Shelley* Percy Bysshe Shelley, 2021-05-04 This new volume of JHU Press's landmark Shelley edition contains posthumous poems edited from original manuscripts. The world will surely one day feel what it has lost, wrote Mary Shelley after Percy Bysshe Shelley's premature death in July 1822. Determined to hasten that day, she recovered his unpublished and uncollected poems and sifted through his surviving notebooks and papers. In Genoa during the winter of 1822-23, she painstakingly transcribed poetry interlined and broken into fragments so that the sense could only be deciphered and joined by guesses. Blasphemy and sedition laws prevented her from including her husband's most outspoken radical works, but the resulting volume *Posthumous Poems of Percy Bysshe Shelley* 1824 was a magnificent display of Shelley's versatility and craftsmanship between 1816 and 1822. Few such volumes have made more difference to an author's reputation. The seventh volume of the acclaimed *Complete Poetry of Percy Bysshe Shelley* extracts from *Posthumous Poems* those original poems and fragments Mary Shelley edited. The collection opens with Shelley's enigmatic dream vision *The Triumph of Life*, the last major poem he began and, in the opinion of T.S. Eliot, the finest thing he ever wrote. There follow some of the most famous and beautiful of Shelley's short lyrics, narrative fragments, two

unfinished plays and other previously unreleased pieces Upholding the standards of accuracy and comprehensiveness set by previous volumes every item in Volume 7 has been newly edited from the original manuscripts in some cases superseding texts that have stood since 1870 Extensive appendixes contain Mary Shelley's preface to Posthumous Poems Shelley's source for Ginevra and preparatory material for his play Charles the First Wide ranging discussions of the poems composition influences publication circulation reception and critical history accompany detailed records of textual variants for each work The editorial overview and commentaries offer insights into Mary Shelley's editorial strategies while proposing surprising new contexts and redatings Volumes 4 to 6 are in preparation **The Essential Earle Birney** Earle Birney,2014-04-17

Over the course of a career spanning five decades Canadian poet novelist and playwright Earle Birney produced some of Canada's best known poems The Essential Earle Birney contains a selection of his pivotal works including early break out successes nuanced mid career lyrics avant garde experiments and beautiful deceptively simple love poetry From David to Bushed to Anglo Saxon Street this indispensable collection reaffirms Birney's position as a key figure in modern Canadian poetry The Essential Poets Series presents the works of Canada's most celebrated poets in a package that is beautiful accessible and affordable The Essential Earle Birney is the 10th volume in the series *Understanding and Healing Emotional Trauma* Daniela Sieff,2014-11-27 Understanding and Healing Emotional Trauma is an interdisciplinary book which explores our current understanding of the forces involved in both the creation and healing of emotional trauma Through engaging conversations with pioneering clinicians and researchers Daniela F Sieff offers accessible yet substantial answers to questions such as What is emotional trauma What are the causes What are its consequences What does it mean to heal emotional trauma and How can healing be achieved These questions are addressed through three interrelated perspectives psychotherapy neurobiology and evolution Psychotherapeutic perspectives take us inside the world of the unconscious mind and body to illuminate how emotional trauma distorts our relationships with ourselves and with other people Donald Kalsched Bruce Lloyd Tina Stromsted Marion Woodman Neurobiological perspectives explore how trauma impacts the systems that mediate our emotional lives and well being Ellert Nijenhuis Allan Schore Daniel Siegel And evolutionary perspectives contextualise emotional trauma in terms of the legacy we have inherited from our distant ancestors James Chisholm Sarah Blaffer Hrdy Randolph Nesse Transforming lives affected by emotional trauma is possible but it can be a difficult process The insights shared in these lively and informative conversations can support and facilitate that process This book will therefore be a valuable resource for psychotherapists psychologists counsellors and other mental health professionals in practice and training and also for members of the general public who are endeavouring to find ways through their own emotional trauma In addition because emotional trauma often has its roots in childhood this book will also be of interest and value to parents teachers and anyone concerned with the care of children *Peter Winch* Colin Lyas,2014-12-18 This is the first introduction to the ideas of the British philosopher Peter Winch 1926-97 Although author of

the hugely influential *The Idea of a Social Science* 1958 much of Winch's other work has been neglected as philosophical fashions have changed Recently however philosophers are again seeing the importance of Winch's ideas and their relevance to current philosophical concerns In charting the development of Winch's ideas Lyas engages with many of the major preoccupations of philosophy of the past forty years The range of Winch's ideas becomes apparent and his importance clearly underlined Lyas offers more than an assessment of the work of one man it introduces in a sympathetic and judicious way a powerful representative of an important and demanding conception of philosophy

**Poetry, Publishing, and Visual Culture from Late Modernism to the Twenty-first Century** Natalie Pollard, 2020-05-27 This is a book about contemporary literary and artistic entanglements word and image media and materiality inscription and illustration It proposes a vulnerable fugitive mode of reading poetry which defies disciplinary categorisations embracing the open endedness and provisionality of forms This manifests itself interactively in the six case studies which have been chosen for their distinctness and diversity across the long twentieth century the book begins with the early twentieth century work of writer and artist Djuna Barnes exploring her re animation of sculptural and dramatic sources It then turns to the late modernist artist and poet David Jones considering his use of the graphic and plastic arts in *The Anathemata* and next to the underappreciated mid century poet F T Prince whose work uncannily re activates Michelangelo's poetry and sculpture The second half of the book explores the collaborations of the canonical poet Ted Hughes with the publisher and artist Leonard Baskin during the 1970s the innovative late twentieth century poetry of Denise Riley who uses page space and embodied sound as a form of address and finally the contemporary poet Paul Muldoon who has collaborated with photographers and artists as well as ventriloquising nonhuman phenomena The resulting unique study offers contemporary writers and readers a new understanding of literary artistic and nonhuman practices and shows the cultural importance of engaging with their messy co dependencies The book challenges critical methodologies that make a sharp division between the textual work and the extra literary and raises urgent questions about the status and autonomy of art and its social role

**Surfing Spaces** Jon Anderson, 2022-08-04 The act of surfing involves highly skilled humans gliding sliding or otherwise riding waves of energy as they pass through water As this book argues however this act of surfing does not exist in isolation It is defined by the cultures and geographies that synergize with it by the places ideas images and other representations which at once reflect create and commodify this spatial practice This book innovatively explores the spaces of surf and surf riding informed specifically by the perspective of human geography Based on a range of critical turns within the social sciences the book explores the locations relational sensibilities and transformative nature of surfing spaces and examines how the spatial practice has been scripted by dominant surfing cultures The book details how prescriptive orders of access entitlement and marginalization have been created and how with the advent of new craft media and ideals they are being actively challenged to redefine surfing spaces in the twenty first century

Virginia Woolf and Poetry Emily Kopley, 2021-06-10 Virginia Woolf's

career was shaped by her impression of the conflict between poetry and the novel a conflict she often figured as one between masculine and feminine old and new bound and free In large part for feminist reasons Woolf promoted the triumph of the novel over poetry even as she adapted some of poetry s techniques for the novel in order to portray the inner life Woolf considered poetry the rival form to the novel A monograph on Woolf s sense of genre rivalry thus offers a thorough reinterpretation of the motivations and aims of her canonical work Drawing on unpublished archival material and little known publications the book combines biography book history formal analysis genetic criticism source study and feminist literary history Woolf s attitude towards poetry is framed within contexts of wide scholarly interest the decline of the lyric poem the rise of the novel the gendered associations with these two genres elegy in prose and verse and the history of English Studies Virginia Woolf and Poetry makes three important contributions It clarifies a major prompt for Woolf s poetic prose It exposes the genre rivalry that was creatively generative to many modernist writers And it details how holding an ideology of a genre can shape literary debates and aesthetics

**Coastal Sage** Thomas J. Osborne, 2018 There are moments when we forget how fortunate we are to have the California coast The state is home to 1 100 miles of uninterrupted coastline defined by long stretches of beach and jagged rocky cliffs Coastal Sage chronicles the career and accomplishments of Peter Douglas the longest serving executive director of the California Coastal Commission For nearly three decades Douglas fought to keep the California coast public prevent overdevelopment and safeguard habitat In doing so Douglas emerged as a leading figure in the contemporary American environmental movement and influenced public conservation efforts across the country He coauthored California s foundational laws pertaining to shoreline management and conservation Proposition 20 and the California Coastal Act Many of the political battles to save the coast from overdevelopment and secure public access are revealed for the first time in this study of the leader who was at once a visionary warrior and coastal sage

**Icons of Sound** Bissera Pentcheva, 2020-11-23 Icons of Sound Voice Architecture and Imagination in Medieval Art brings together art history and sound studies to offer new perspectives on medieval churches and cathedrals as spaces where the perception of the visual is inherently shaped by sound The chapters encompass a wide geographic and historical range from the fifth to the fifteenth century and from Armenia and Byzantium to Venice Rome and Santiago de Compostela Contributors offer nuanced explorations of the intangible sonic aura produced in these places by the ritual music and harness the use of digital technology to reconstruct historical aural environments Rooted in a decade long interdisciplinary research project at Stanford University Icons of Sound expands our understanding of the inherently intertwined relationship between medieval chant and liturgy the acoustics of architectural spaces and their visual aesthetics Together the contributors provide insights that are relevant across art history sound studies musicology and medieval studies

**Comparative Essays on the Poetry and Prose of John Donne and George Herbert** Russell M. Hillier, Robert W. Reeder, 2021-10-15 This book brings together ten essays on John Donne and George Herbert composed by an international group of scholars The volume represents the first collection of its kind to draw close connections between these two distinguished early modern thinkers and poets who are justly coupled because of their personal and artistic association The contributors distinctive new approaches and insights illuminate a variety of topics and fields while suggesting new directions that future study of Donne and Herbert might take Some chapters explore concrete instances of collaboration or communication between Donne and Herbert and others find fresh ways to contextualize the Donnean and Herbertian lyric carefully setting the poetry alongside discourses of apophatic theology or early modern political theory while still others link Herbert's verse to Donne's devotional prose Several chapters establish specific theological and aesthetic grounds for comparison considering Donne and Herbert's respective positions on religious assurance comic sensibility and virtuosity with poetic endings

**The British National Bibliography** Arthur James Wells, 2000 **Arts & Humanities Citation Index**, 1979 *Journey of Life* Daisaku Ikeda, 2014-05-20 Whether through lyrical celebrations of the wonders of nature paeans to the steadfastness of women or salutations to the world leaders who have in their various ways provided inspiration to his lifelong devotion to the causes of peace justice and

education Daisaku Ikeda in his poems expresses unwavering commitment to the development of a humanistic global culture These translations the first of a three volume collection and based on the Japanese Complete Works of Daisaku Ikeda Ikeda Daisaku zenshu cover the years 1945 2007 and explore the many subjects to which the leader of the Soka Gakkai International has devoted his poetic heart and mind The translators have sought to reproduce the rhythms and timbres of a voice which though influenced by the likes of Whitman Defoe Dumas Ibsen Emerson and Shelley is yet distinctive and unique Sometimes the poet adopts a simple vernacular note at other times the compression associated with Japanese poetic forms haiku and waka But at all times the poetry maintains a stately rhythm that reflects the dignity of ordinary language and expression This collection will delight readers familiar with the prose writings of the author as well as those coming to his work for the first time The poems within it speak with freedom and feeling of a world where genuine poetry reigns supreme and of a world where poetic perception becomes a perception of interconnectedness between friends between humanity and nature or between humanity and the cosmos     *Books in Print* ,1994
