see how participation in the liturgy is to be internal and external at the same time DeGrocco relates that such participation changes us to be at service to the world to build up the kingdom of God This book is written in short readable sections that contain discussion questions and suggestions for further reading Written in such a way it accommodates both the classroom and the parish Parishes will find *The Church at Worship* helpful in the formation of the parish liturgy committee and for deepening the understanding of the liturgy among parish staff As the material deals with the general and specific aspects of celebrating ritual it is immediately relevant to the life of the parish Suggested reading refers the audience to the Constitution on the Sacred Liturgy other documents of the Second Vatican Council and the Catechism of the Catholic Church
