**Tourist's Guide to the River Clyde from Source to Sea. [With Plates.].** River Clyde,1890\* **River Clyde** Richard Happer,Mark Steward,2014-10-15 A stunning photographic journey along the length of this iconic river *River Clyde* Keith Fergus,2008-06-01 Beginning deep in the hills of South Lanarkshire the River Clyde twists her way for over 100 miles through a varied landscape eventually flowing into the Firth of Clyde near to the towns of Gourock and Helensburgh This text celebrates the beauty scale and diversity of this river *The Clyde* K. R. Fergus,2013-06-25 From source to sea the River Clyde passes through some of southern Scotland s finest scenery Rising in the shadow of the Lowther Hills the country s third longest river winds through rolling Lanarkshire farmland and past historic market towns on its way to the fertile Clyde Valley and the former industrial heartlands of Scotland before it reaches the city of Glasgow and the Firth of Clyde There is no better way to discover the wildlife architecture and history of this area of Scotland than to walk Whatever your ability walkint at high or low level following through terrain or level paths the 25 routes in this guide offer something for everyone

**The Clyde** William John Millar,1888 **From Source to Sea; Or Gleanings about Rivers in Many Fields** William Powell James,1884 The Clyde William J. Millar,2015-07-20 Excerpt from The Clyde From Its Source to the Sea Its Development as a Navigable River the Rise and Progress of Marine Engineering and Shipbuilding on Its Banks and the Leading Historical Geological and Meteorological Features of the Clyde Valley In the present volume I have endeavoured to give an outline of the principal features of the River Clyde and of the commercial and industrial operations which have rendered it so well known as a navigable river Various books have appeared from time to time treating specifically of the leading characteristics of the district and of the rise and progress of its industries The object of this work is rather to convey in a condensed form a general idea of the River and of its varied surroundings both of a topographical and a commercial character together with some of the geological and meteorological features of the Clyde Valley For much of what is contained in the volume I am indebted to already published works and to various individuals and business firms who readily responded to inquiries on special points of a commercial mechanical or scientific nature also to many personal friends who have kindly communicated valuable information especially about old Glasgow the river and early steamboats Throughout the text I have endeavoured to acknowledge the sources of all the quotations or special information obtained and of the drawings and photographs lent for the purpose of illustration The picturesque scenes have been drawn by D Small and John Blair About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such
