Deadly Referral Rosellen Price, 2005-11 I wrote this book to help you understand a little about the real world of wheels. It may not have all the answers but will give you some insight into asking the right questions. Most of my adult life has been spent in the automotive field. Starting back in the summer of 1958 as a kid cleaning the shop, I have done most things in this field. From body repair to sales to management of a new car dealership, I have seen quite a bit. Hopefully, this book will be the first of many covering topics that will allow the average person a way to become more aware of the pitfalls that they may encounter when dealing with their vehicles. The name *Broken Wheel* was inspired by a problem that we had. The wheel on the cover was on a custom pickup truck and looked fine. When it was closely inspected, a major defect was discovered. Prior to the sale, we replaced the wheel. If you look on the back cover, you will see a close-up of the break. Many problems are not obvious. Hopefully, this book will help you protect yourself.

Southern Routes Ben Vaughn, 2015-09-15 In most of Ben's experiences the humble Southern chefs share their long protected family recipes but it's not an adventure if everyone cooperates. Some of these institutions guard their recipes like members of the family. To the untrained eater the secret ingredients it takes to create such an iconic dish would remain a bewitching mystery without the original formula. However Ben's journey and mission is to deliver the most amazing 100 Southern recipes in *Southern Routes*. With his charm and ability in the kitchen award winning chef author and Food Network host Ben Vaughn acquired each recipe one way or another. If he was unable to get the recipe directly from the source Ben replicated it himself only having tasted the dish. After deciphering the exact mix of ingredients his recipe was put to the test when the recipe gatekeeper gave him the thumbs up. *Southern Routes* highlights iconic Southern kitchens all throughout the Delta such as Mat Our Way Caf in Decatur Georgia, McMel's City Caf, Dipsy Doodle and Wendell Smith's Restaurant in Tennessee and Martha's Menu in Mississippi. This book is more than a recipe book but instead a soulful informative ride through the most delicious parts of America. Experience the real recipes real people and real stories as Ben journeys through the South exploring *Southern Routes*.
