

Teach Me Something New

Social Emotional Learning Student Presentation

The Unique – The Informative – The Complex *Teach Me Something New Presentation*

Purpose: As a means to show off your newfound research and persuasive skills, you (either solo or with a partner) will select a topic of interest and create an in-depth presentation over it.

STEP ONE: Choose Your Topic

Possible Suggestions:

- How to Make Stuff
- Create/Complete something
- Historical Topic or the history of something
- Science
- Entertainment (movies, TV shows, music, etc.)
- Art/Literature
- Sports
- Personal/Contemporary Theories

You can truly choose anything of interest, just make sure it is school appropriate and not offensive to others.

- Offensive or inappropriate topics will result in an automatic zero and a write-up.

STEP TWO: Assemble Your Information

For this presentation, you will need enough information to take up several minutes of time. Details are key for the audience fully understanding your topic.

- You will need to find information from credible websites and/or databases.
 - o **A minimum of five sources**
 - o Prepare to cite this information and include a Works Cited page on the presentation.

STEP THREE: Craft Your Presentation

The Works of Samuel Johnson ... A new edition ... With an essay on his life and genius, by Arthur Murphy. With a portrait
Samuel Johnson, 1825 *Teacher's Stories, Teacher's Lives* Carola Conle, 2006 In this book we demonstrate a mode of teacher education that is practical in a non technical sense and relies on Dewey's notion of curriculum as the reconstruction of experience We present a curriculum that emerged through collaborative self reflection and seeks to reconstruct personal histories of schooling As four former preservice teachers and their instructor we engaged in jointly constructed autobiographical inquiry in order to generate data on our own past and on our current histories of teaching and learning We wanted to illuminate parts of our lives in schools that until now belonged to our normal and taken for granted past We did this in order to enjoy certain degrees of awareness and choice as to which of our living stories to reinforce and which to let run out in our classrooms today **Cassell's Educator for the Young, etc. [Another edition of "The Child's Educator."]** John CASSELL, 1865 What Do They Want? Sammy Price, 1995-11-01 The jazz pianist discusses his life and career from his birth in Texas to his rise to international fame and his involvement in politics and business *Software Management* Donald J. Reifer, 2006-08-30 This Seventh Edition of Donald Reifer's popular bestselling tutorial summarizes what software project managers need to know to be successful on the job The text provides pointers and approaches to deal with the issues challenges and experiences that shape their thoughts and performance To accomplish its goals the volume explores recent advances in dissimilar fields such as management theory acquisition management globalization knowledge management licensing motivation theory process improvement organization dynamics subcontract management and technology transfer Software Management provides software managers at all levels of the organization with the information they need to know to develop their software engineering management strategies for now and the future The book provides insight into management tools and techniques that work in practice It also provides sufficient instructional materials to serve as a text for a course in software management This new edition achieves a balance between theory and practical experience Reifer systematically addresses the skills knowledge and abilities that software managers at any level of experience need to have to practice their profession effectively This book contains original articles by leaders in the software management field written specifically for this tutorial as well as a collection of applicable reprints About forty percent of the material in this edition has been produced specifically for the tutorial Contents Introduction Life Cycle Models Process Improvement Project Management Planning Fundamentals Software Estimating Organizing for Success Staffing Essentials Direction Advice Visibility and Control Software Risk Management Metrics and Measurement Acquisition Management Emerging Management Topics The challenges faced by software project managers are the gap between what the customers can envision and the reality on the ground and how to deal with the risks associated with this gap in delivering a product that meets requirements on time and schedule at the target costs This tutorial hits the mark by providing project managers

practitioners and educators with source materials on how project managers can effectively deal with this risk Dr Kenneth E Nidiffer Systems Software Consortium Inc The volume has evolved into a solid set of foundation works for anyone trying to practice software management in a world that is increasingly dependent on software release quality timeliness and productivity Walker Royce Vice President IBM Software Services Rational [Teacher Inquiry](#) Anthony Clarke, Gaalen Lee Erickson, 2003 The importance of educational research for professional development and classroom practice is becoming increasingly significant This collection looks at both enacting teacher research and the methodologies involved within it

What My Dog Taught Me About Jesus David Ross Sherman, 2017-05-24 Jenny was nearly two years old when David met her and it was a perfect match between a dog who just wanted out of her prison and a guy looking for someone with whom he could share bad jokes and make listen to his sermons before he delivered them to the church She could handle some bad humor and some boring sermons if she could just be allowed to love some people and be free After all loving people was what she did best And being free is what everyone wants Having come from a pretty difficult beginning Jenny had some issues She was fearful and aggressive toward other dogs but even with her issues she showed an incredible love toward every human she met as well as an unquenchable joy that was always present Come experience the relationship between a man and his dog and discover how God is interpreted in the actions of this wonderful and amazing animal by a guy who sees God in every living thing If you are enduring some difficulty right now this book may help you out of your pain You may just discover that what you have really found is a renewed relationship with the King of kings that will give you a new perspective on life and those with whom we share the planet *SPIN*, 1991-03 From the concert stage to the dressing room from the recording studio to the digital realm SPIN surveys the modern musical landscape and the culture around it with authoritative reporting provocative interviews and a discerning critical ear With dynamic photography bold graphic design and informed irreverence the pages of SPIN pulsate with the energy of today's most innovative sounds Whether covering what's new or what's next SPIN is your monthly VIP pass to all that rocks *The Well-Knit Home* Gina Macris, 2007 Accents make a room in the same way that accessories make an outfit and these lovely knits can transform a home Fashioned from such yarns as alpaca cashmere and the new microfibers they look gorgeous and feel indulgently soft too There's something for everywhere in the house from kitchen to nursery bedroom to bath An elegant oversized throw not only dresses up a sofa or chair but becomes a snuggly wrap on a cold winter's day mock cables with eyelets give the piece an airy feeling without sacrificing warmth A delightfully loopy pillow with its lush deep pile creates funky fun anywhere Novices will especially appreciate the close up photos and instructions for knitting bobbles and buttonholes inserting zippers and working with chenille [Make Miracles in Forty Days](#) Melody Beattie, 2011-12-06 We've all had situations in our lives that seem beyond our control or that have no clear remedy In this concise inspirational guide bestselling self help guru Melody Beattie shows us that we have the ability to make a miracle for almost any circumstance we're facing She offers a distillation of what she knows about gratitude
