She merits far greater recognition however on several other fronts. Fluent in French, Italian, and Latin, Parr also began out of necessity to learn Spanish when she ascended to the throne in 1543. As Henry's wife and queen of England, she was a noted patron of the arts and music and took a personal interest in the education of her stepchildren, Princesses Mary and Elizabeth, and Prince Edward. Above all, Parr commands interest for her literary labors: she was the first woman to publish under her own name in English in England. For this new edition, Janel Mueller has assembled the four publications attributed to Parr: *Psalms or Prayers*, *Prayers or Meditations*, *The Lamentation of a Sinner*, and a compilation of prayers and Biblical excerpts written in her hand, as well as her extensive correspondence, which is collected here for the first time. Mueller brings to this volume a wealth of knowledge of sixteenth-century English culture. She marshals the impeccable skills of a textual scholar in rendering Parr's sixteenth-century English for modern readers and provides useful background on the circumstances of and references in Parr's letters and compositions. Given its scope and ambition, *Katherine Parr: Complete Works and Correspondence* will be an event for the English publishing world and will make an immediate contribution to the fields of sixteenth-century literature, reformation studies, women's writing, and Tudor politics.      John Sinclair: Demon Hunter Volume 1 (English Edition) Gabriel Conroy, 2021-05-21 1977 is a strange year. When such incidents arise, it is down to Scotland Yard's Special Division and their Demon Hunter in residence, John Sinclair, to set things right. But Sinclair is haunted by demons of his own ones, which rival the dark forces attacking innocents around him. Can he conquer one to vanquish the other?      *We Love You, Teacher* Luis Amavisca, 2023-11-06 Skunk, Squirrel, Fox, Bear, Cub, Duck, Frog, and Rabbit really love their teacher, Miss Gazelle. It identifies the Peshitta's translation techniques and it discusses the version's interpretation of difficult passages in the Hebrew text. The question of the Hebrew Vorlage behind the Peshitta Psalter is raised. Also investigated here is the relationship between the Peshitta Psalms and the LXX and Targum, and an assessment of the supposed influence of these versions on the Peshitta Psalter is offered. Inquiry is made into the theology of the translation, the identity of the translators, and the relationships among the manuscripts of the Peshitta Psalter. This text is designed as a tool for scholars who, when confronted by critical questions in the Psalter, seek to understand the readings preserved in the Peshitta.
