You're a Good Mom (and Your Kids Aren't So Bad Either) Jen Singer,2008-04-01 For 21st century mothers there seem to be just two choices be a Super Mom or be a Slacker Mom One s bad for you one s bad for your kids So what s a momma to do In You re a Good Mom and Your Kids Aren t So Bad Either the Internet s favorite momma Jen Singer tells all Turns out you can raise perfectly good kids in that sweet spot between flash cards at breakfast and donuts for dinner kids It s for every mom who s pressured to be perfect yet lost under the laundry wondering if she s a bad mom It s for every mom to wants to enjoy not endure motherhood while still giving her kids what they truly need to succeed Filled with that happened to me too stories and wrapped in the wit that could only come from the creator of Please Take My Children to Work Day this book offers giggles and a pat on the back for today s moms whether they re deep in diapers or petrified by puberty **Glad To Be A Dad; Calm To Be A Mom** David Holden,2022-08-01 The title of this book is taken from Proverbs 23 25 May your father and mother be glad may she who gave you birth rejoice The message is quite simple to encourage parents with preteen children to see God our Father as our Mentor for parenting and to enjoy the learning process on this journey of parenting This is more of a WHY to parent book rather than a how to parent book God in His infinite wisdom created families and revealed Himself to us as our Heavenly Father calling us His chosen and beloved children Sending Jesus as His only Son to show His love for us God weaves the parentchild metaphor throughout scripture to help us understand what it means to be

created in His image and for His good purpose Do you ever wonder why God created families Psalm 68 6 states God sets the lonely in families First Timothy 5 8 emphasis added makes very clear the priority of parenting to our Heavenly Father If anyone does not provide for his relatives and especially for his immediate family he has denied the faith and is worse than an unbeliever Why does God bless us with His children to raise Because as parents we learn so much about ourselves and more importantly we learn so much about why God created us and placed us in families A devotional aspect is added to this book for those who want to use it as a personal devotional or in a parenting class setting I'm in Search of Myself...Have You Seen Me Anywhere? Many of the ideas of the teens were incorporated into the book to ensure that it would be teen friendly. The feedback from the book has been very strong since Teen Money 101 is formatted in a Lights Camera Action format where the Lights section introduces new terms, the Camera section tells the humorous stories of teen siblings and how they handle money, and the Action section provides an activity to reinforce and put into effect the concepts just learned. We know that teenagers today are not taught about money in a structured way. Based on the current world economic crises, we believe that this is a unique time to teach our teens about money and finances so that the next generation can be more prepared than previous ones.
