**Sistah Vegan** A. Breeze Harper, 2012-03 Sistah Vegan is a series of narratives critical essays poems and reflections from a diverse community of North American black identified vegans Collectively these activists are decolonizing their bodies and minds via whole foods veganism By kicking junk food habits the more than thirty contributors all show the way toward longer stronger and healthier lives Suffering from type 2 diabetes hypertension high blood pressure and overweight need not be the way women of color are doomed to be victimized and live out their mature lives There are healthy alternatives Sistah Vegan is not about preaching veganism or vegan fundamentalism Rather the book is about how a group of black identified female vegans perceive nutrition food ecological sustainability health and healing animal rights parenting social justice spirituality hair care race gender identification womanism and liberation that all go against the refined and bleached grain of our dysfunctional society Thought provoking for the identification and dismantling of environmental racism ecological devastation and other social injustices Sistah Vegan is an in your face handbook for our time It calls upon all of us to make radical changes for the betterment of ourselves our planet and by extension everyone

The Jemima Code Toni Tipton-Martin, 2022-07-01 Winner James Beard Foundation Book Award 2016 Art of Eating Prize 2015 BCALA Outstanding Contribution to Publishing Citation Black Caucus of the American Library Association 2016 Women of African descent have contributed to America's food culture for centuries but their rich and varied involvement is still overshadowed by the demeaning stereotype of an illiterate Aunt Jemima who cooked mostly by natural instinct To discover the true role of black women in the creation of American and especially southern cuisine Toni Tipton Martin has spent years

amassing one of the world's largest private collections of cookbooks published by African American authors looking for evidence of their impact on American food families and communities and for ways we might use that knowledge to inspire community wellness of every kind The *Jemima Code* presents more than 150 black cookbooks that range from a rare 1827 house servant's manual the first book published by an African American in the trade to modern classics by authors such as Edna Lewis and Vertamae Grosvenor The books are arranged chronologically and illustrated with photos of their covers many also display selected interior pages including recipes Tipton Martin provides notes on the authors and their contributions and the significance of each book while her chapter introductions summarize the cultural history reflected in the books that follow These cookbooks offer firsthand evidence that African Americans cooked creative masterpieces from meager provisions educated young chefs operated food businesses and nourished the African American community through the long struggle for human rights The *Jemima Code* transforms America's most maligned kitchen servant into an inspirational and powerful model of culinary wisdom and cultural authority

The Rise Marcus Samuelsson, 2020-10-27 An Eater Best Cookbook of Fall 2020 This groundbreaking new cookbook from chef bestselling author and TV star Marcus Samuelsson celebrates contemporary Black cooking in 150 extraordinarily delicious recipes It is long past time to recognize Black excellence in the culinary world the same way it has been celebrated in the worlds of music sports literature film and the arts Black cooks and creators have led American culture forward with indelible contributions of artistry and ingenuity from the start but Black authorship has been consistently erased from the story of American food Now in *The Rise* chef author and television star Marcus Samuelsson gathers together an unforgettable feast of food culture and history to highlight the diverse deliciousness of Black cooking today Driven by a desire to fight against bias reclaim Black culinary traditions and energize a new generation of cooks Marcus shares his own journey alongside 150 recipes in honor of dozens of top chefs writers and activists with stories exploring their creativity and influence Black cooking has always been more than soul food with flavors tracing to the African continent to the Caribbean all over the United States and beyond Featuring a mix of everyday food and celebration cooking this book also includes an introduction to the pantry of the African diaspora alongside recipes such as Chilled corn and tomato soup in honor of chef Mashama Bailey Grilled short ribs with a piri piri marinade and saffron tapioca pudding in homage to authors Michael Twitty and Jessica B Harris Crab curry with yams and mustard greens for Nyesha Arrington Spiced catfish with pumpkin leche de tigre to celebrate Edouardo Jordan Island jollof rice with a shout out to Eric Adjepong Steak frites with plantain chips and green vinaigrette in tribute to Eric Gestel Tigernut custard tart with cinnamon poached pears in praise of Toni Tipton Martin A stunning work of breadth and beauty *The Rise* is more than a cookbook It's the

celebration of a movement      **Cultivating Food Justice** Alison Hope Alkon, Julian Agyeman, 2011-10-21 Documents how racial and social inequalities are built into our food system and how communities are creating environmentally sustainable and socially just alternatives Popularized by such best selling authors as Michael Pollan Barbara Kingsolver and Eric Schlosser a growing food movement urges us to support sustainable agriculture by eating fresh food produced on local family farms But many low income neighborhoods and communities of color have been systematically deprived of access to healthy and sustainable food These communities have been actively prevented from producing their own food and often live in food deserts where fast food is more common than fresh food Cultivating Food Justice describes their efforts to envision and create environmentally sustainable and socially just alternatives to the food system Bringing together insights from studies of environmental justice sustainable agriculture critical race theory and food studies Cultivating Food Justice highlights the ways race and class inequalities permeate the food system from production to distribution to consumption The studies offered in the book explore a range of important issues including agricultural and land use policies that systematically disadvantage Native American African American Latino a and Asian American farmers and farmworkers access problems in both urban and rural areas efforts to create sustainable local food systems in low income communities of color and future directions for the food justice movement These diverse accounts of the relationships among food environmentalism justice race and identity will help guide efforts to achieve a just and sustainable agriculture      California Cuisine and Just Food Sally K. Fairfax, 2012 An account of the shift in focus to access and fairness among San Francisco Bay Area alternative food activists and advocates Can a celebrity chef find common ground with an urban community organizer Can a maker of organic cheese and a farm worker share an agenda for improving America s food In the San Francisco Bay area unexpected alliances signal the widening concerns of diverse alternative food proponents What began as niche preoccupations with parks the environment food aesthetics and taste has become a broader and more integrated effort to achieve food democracy agricultural sustainability access for all to good food fairness for workers and producers and public health This book maps that evolution in northern California The authors show that progress toward food democracy in the Bay area has been significant innovators have built on familiar yet quite radical understandings of regional cuisine to generate new broadly shared expectations about food quality and activists have targeted the problems that the conventional food system creates But they caution despite the Bay Area s favorable climate progressive politics and food culture many challenges remain

*History of Tempeh and Tempeh Products (1815-2020)* William Shurtleff; Akiko Aoyagi, 2020-03-22 The world s most comprehensive well documented and well illustrated book on this subject With extensive subject and geographical index 234 photographs and illustrations mostly color Free of charge in digital PDF format on Google Books      **Parenting Through Pop Culture** JL Schatz, 2020-03-02 With the ever increasing amount of media children are consuming it has become important for parents to learn how to help them navigate this consumption productively All too often the only approach to

screen time by parents is a question of limiting how much and what kind. Instead, if parents and educators can adopt a more nuanced relationship to media and education, adults and children can come together in order to engage with and deconstruct the messages that are embedded in popular culture. This enables children to become more informed citizens. This collection seeks to do just that by providing a series of essays on strategies to engage children with varying topics and programming to ensure that media consumption is an active process that promotes social and political awareness instead of apathetic entertainment.

Black Food Matters Hanna Garth, Ashanté M. Reese, 2020-10-27. An in-depth look at Black food and the challenges it faces today. For Black Americans, the food system is broken. When it comes to nutrition, Black consumers experience an unjust and inequitable distribution of resources. *Black Food Matters* examines these issues through in-depth essays that analyze how Blackness is contested through food, differing ideas of what makes our sustenance healthy, and Black individuals' own beliefs about what their cuisine should be. Primarily written by nonwhite scholars and framed through a focus on Black agency instead of deprivation, the essays here showcase Black communities fighting for the survival of their food culture. The book takes readers into the real world of Black sustenance, examining animal husbandry practices in South Carolina, the work done by the Black Panthers to ensure food equality, and Black women who are pioneering urban agriculture. These essays also explore individual and community values, the influence of history, and the ongoing struggle to meet needs and affirm Black life. A comprehensive look at Black food culture and the various forms of violence that threaten the future of this cuisine, *Black Food Matters* centers Blackness in a field that has too often framed Black issues through a white-centric lens, offering new ways to think about access, privilege, equity, and justice. **Inventing Authenticity** Carrie Helms Tippen, 2018-08-12. In *Inventing Authenticity*, Carrie Helms Tippen examines the rhetorical power of storytelling in cookbooks to fortify notions of southernness. Tippen brings to the table her ongoing hunt for recipe cards and evaluates a wealth of cookbooks with titles like *Y'all Come Over and Bless Your Heart* and famous cookbooks such as Sean Brock's *Heritage* and Edward Lee's *Smoke and Pickles*. She examines her own southern history, grounding it all in a thorough understanding of the relevant literature. The result is a deft and entertaining dive into the territory of southern cuisine: black-eyed peas and cornbread, fried chicken and fried okra, pound cake and peach cobbler, and a look at and beyond southern food tropes that reveals much about tradition, identity, and the yearning for authenticity. Tippen discusses the act of cooking as a way to perform and therefore reinforce the identity associated with a recipe and the complexities inherent in attempts to portray the

foodways of a region marked by a sometimes distasteful history Inventing Authenticity meets this challenge head on delving into problems of cultural appropriation and representations of race thorny questions about authorship and more The commonplace but deceptively complex southern cookbook can sustain our sense of where we come from and who we are or who we think we are

**Invention of the Modern Cookbook** Sandra Sherman,2010-04-15 This eye opening history will change the way you read a cookbook or regard a TV chef making cooking ventures vastly more interesting and a lot more fun Every kitchen has at least one well worn cookbook but just how did they come to be Invention of the Modern Cookbook is the first study to examine that question discussing the roots of these collections in 17th century England and illuminating the cookbook s role as it has evolved over time Readers will discover that cookbooks were the product of careful invention by highly skilled chefs and profit minded publishers who designed them for maximum audience appeal responding to a changing readership and cultural conditions and utilizing innovative marketing and promotion techniques still practiced today They will see how cookbooks helped women adjust to the changes of the Enlightenment and Industrial Revolution by educating them on a range of subjects from etiquette to dealing with household servants And they will learn how the books themselves became modern taking on the characteristics we now take for granted

**The Spirit of Soul Food** Christopher Carter,2021-12-21 Soul food has played a critical role in preserving Black history community and culinary genius It is also a response to and marker of centuries of food injustice Given the harm that our food production system inflicts upon Black people what should soul food look like today Christopher Carter s answer to that question merges a history of Black American foodways with a Christian ethical response to food injustice Carter reveals how racism and colonialism have long steered the development of US food policy The very food we grow distribute and eat disproportionately harms Black people specifically and people of color among the global poor in general Carter reflects on how people of color can eat in a way that reflects their cultural

identities while remaining true to the principles of compassion love justice and solidarity with the marginalized Both a timely mediation and a call to action The Spirit of Soul Food places today s Black foodways at the crossroads of food justice and Christian practice     History of Tofu and Tofu Products (965 CE to 2013) William Shurtleff,Akiko Aoyagi,2013-05
