Psychological Testing And Assessment Cohen 8th Edition:

EBOOK: Psychological Testing and Assessment Ronald Jay Cohen, Mark Swerdlik, Edward Sturman, 2012-09-16
Psychological Testing and Assessment presents students with a solid grounding in psychometrics and the world of testing and assessment. The book distinguishes itself through its logical organisation, readable text, and many pedagogical aids such as the Meet an Assessment Professional feature in every chapter, which highlights the works of people such as Dr Stephen Finn, architect of therapeutic assessment. Now in its eighth edition, this text has consistently won enthusiastic reviews not only for its balance of breadth and depth of coverage but for content that brings a human face to the assessment enterprise.

Expanding upon and updating the first edition, this comprehensive guide instructs readers on how to effectively conduct psychological assessment and testing in their practice, efficiently advancing a case from the initial referral and clinical interview through the testing process and leading to informed diagnosis and treatment recommendations. This second edition incorporates updated editions of all major tests, pertinent revisions from the DSM 5, more in-depth analysis of testing topics, and coverage of new constructs that are the targets of psychological testing relevant to outpatient mental health practice. Readers will learn about the fundamentals of assessment testing and psychological measurement, the complete process of psychological testing using a broad range of major tests, supplemented by interpretive flowcharts and case examples. Downloadable practice and report forms, along with data tables with pre-drafted interpretive excerpts for all tests, are also available for immediate use in clinical practice. Psychologists in both practice and training will come away with the tools and knowledge needed to successfully conduct psychological assessment and testing within the contemporary mental health field. *Foundations of Forensic Vocational Rehabilitation* Rick Robinson, 2013-12-03
