Department of Printed Books, 1965      [Dressing Global Bodies](#) Beverly Lemire, Giorgio Riello, 2019-11-19

Dressing Global Bodies addresses the complex politics of dress and fashion from a global perspective spanning four centuries tying the early global to more contemporary times to reveal clothing practice as a key cultural phenomenon and mechanism of defining one's identity This collection of essays explores how garments reflect the hierarchies of value collective and personal inclinations religious norms and conversions Apparel is now recognized for its seminal role in global colonial and post colonial engagements and for its role in personal and collective expression Patterns of exchange and commerce are discussed by contributing authors to analyse powerful and diverse colonial and postcolonial practices This volume rejects assumptions surrounding a purportedly all powerful Western metropolitan fashion system and instead aims to emphasize how diverse populations seized agency through the fashioning of dress Dressing Global Bodies contributes to a growing

scholarship considering gender and race place and politics through the close critical analysis of dress and fashion it is an indispensable volume for students of history and especially those interested in fashion textiles material culture and the body across a wide time frame
