Rise and Rise of Imbecile Lawyers Yinka Bamgbelu, 2014-11-10 The one great principle of English law is to make business for itself Charles Dickens The legal trade is a very broad church too broad that admits geniuses and intellectual peasants alike Parts of the legal trade seem to be illogical and a baseless unscientific SCAM The bottom lawyers have sunk below the lowest basement level just below the deepest sewers while the top lawyers seem to have descended to the bottom from whence the previous bottom lawyers vacated There is change but there is no relative change since top lawyers seem oblivious to the notion of relativity Although the brightest students in law school did a lot of math and physics they delude themselves that it is their birthright to be top lawyers when in fact they are in a state of flux based entirely on the notion of relativity They are simply the new bottom lawyers Almighty God is a lawyer judge but He is a scientist first because He had to create those that He will judge In my school the brightest boys did math and physics the less bright did physics and chemistry and the least bright did biology I wanted to do math and physics but my father made me do chemistry because he thought there would be no jobs for mathematicians Dr Stephen Hawking Dr Hawking implies that as lawyers not all are less likely to have done a lot of logical reasoning enhancing mathematics and physics at school they are likelier to be imbeciles

The Judge Lied Yinka Bamgbelu, 2014-09-18 The Judge Lied True Story Someone must be trusted let it be the judges Lord Denning Transparent equality and EXACT laws President Thomas Jefferson In recent years there has been a rising crescendo of complaint over the legitimacy sometimes even the honesty of particular judicial conduct From political conservatives come charges that judges are overriding the will of the people as expressed in statute and referenda relating to abortions gay rights affirmative action religion and other subjects From political liberals come charges of bias against women sexual misconduct harshness towards the interest of minorities and forced imposition of deeply conservative political views From both sides come charges of overriding the people's views and protecting the professional politicians by striking down term limits From all venues even high priced corporate lawyers comes tyrannical and arbitrary conduct by trial judges Misuse of position and even bribery are known to have sometimes existed Beyond these matters one dean of a law school s thirty four years as a law professor and litigator persuaded him that there is yet another problem one that is widespread It is that judges too often are unwilling to listen to facts or reasons They start with predilections heavily favouring one side predilections which they of course deny and then prove impervious to facts and resulting reasons contrary to their bias When judges act on the basis of their prior predilection ignore facts and even make up supposed counter facts they destroy a central tenet of the judicial system the decision of cases based upon facts rather than prejudice They also destroy faith in the judicial system Mediocre Great England Abiodun Olayinka Bamgbelu, 2015-10-28 He Briton is a barbarian and believes that the customs of his tribe and Island are the laws of nature George Bernard Shaw The best argument against democracy is a five minute conversation with the average voter Sir Winston Churchill Corroborating the words of George Bernard Shaw

Sir Winston Churchill implied that the average Briton was indeed a moron Also supporting Churchill s observation is the Organisation for Economic Cooperation and Development OECD which found that young adults in England are amongst the least literate and numerate in the industrialised world Mediocre Great England the latest book by Yinka Bamgbelu criticizes the legal system in Britain as well as the racism found in its institutions The highest reach of injustice is to be deemed just when you are not Plato Lies are told in criminal cases Lies are told in civil cases Lies are told all the time Sir Michael Havers Attorney General 1980 I don't think anyone will dispute that lots and lots of people are denied justice Sir David Napley The entire book is a letter to Dr Anand Kamath a 42 year old dentist who was seemingly and mercilessly hounded to death by white collar racist thugs Dr Stephanie Twidale another dentist could not spell and could not write legibly unrelentingly lied under oath What is the value of an illegible record by a dishonest semi illiterate expert Any legal system Third World included which tolerates dishonesty under oath is intellectually flawed and unsafe Competent administration of the law is an inviolable fundamental right This and no other is the root from which a tyrant springs when he first appears he is a protector Plato

Mediocre GDC Abiodun Olayinka Bamgbelu,2016-01-21 It is naivety that borders upon dishonesty to suggest that Britain s mediocre General Dental Council GDC is untouched by the decline in the general educational standard To disagree with three fourths of the British public on all points is one of the first elements of sanity one of the deepest consolations in all moments of spiritual doubt Oscar Wilde In November 2008 the mediocre GDC belatedly and retrospectively charged and found the first ever and only Negro dentist in Bedford guilty of using kavoklave instead of autoclave for two months in 1996 twelve years earlier In 1996 the Caucasian predecessor at the dental practice had used the same autoclave for several years before the Negro took over from her No advance in wealth no softening of manners no reform or revolution has ever brought human equality a millimetre nearer George Orwell The GDC charged that there was The need for an autoclave for sterilisation as opposed to the kavoklave that was in sole use In 2007 in order to corroborate allegations by a racist and dishonest senior National Health Service NHS nurse Rachael Bishop the GDC went back to the year 1996 to find that kavoklave isn t an autoclave The confused council didn t know that kavoklave is an autoclave Dr Anand Kamath actually died in his home upon being threatened to be reported to the GDC Dr Prasad the widow of Dr Anand Kamath told an inquest he felt bullied and harassed after being summoned for a meeting and sent a letter warning he could be reported to the General Dental Council Daily Mail Eleanor Harding 11 08 2013

St Patricks Church in the village of Abersthwaithe on the small island of Ischalton Following the scandalous inability of the Board of Advisers to the Vestry to honor their financial commitment to build a new improved church in nearby Brewsters Village the Bishop has made the group defunct Even so the members who formed the board along with their newly recruited henchmen continue their surreptitious plan to eradicate the stench of serfdom from St Patricks Church Personal conflicts the quest for acceptance concupiscence the struggle for control and civil war among the peasants once again cast their dark sinister shadows over the church thus proving that although pious humans may have a greater proclivity to moral rectitude they nevertheless possess an innate and ironic propensity to degeneracy The Ecclesiastical Chronicles offers a profound and sobering look at how hypocrisy and self righteousness can destroy the foundation of Christs work resulting in misery for all
