RISOGRAPH FOR PROCREATE

Bring the analog indie aesthetic of Risograph printing to your digital work with RetroSupply's Risograph Brush and Texture Kit, a must-have Riso brush and texture pack for Procreate — so realistic you'll smell the soy oil-based inks for days!

Each brush and texture in this pack was made from analog source material. We hit up some of our favorite Risograph printing studios and asked them to push their printers to the limits.

The final output is a collection that perfectly captures the unmistakable textures and overlay effects of analog Risograph art in your digital studio.

With a complete spectrum of wet and dry Risograph brushes, true print defects, and authentic scans — The Risograph Brush and Texture Kit is an authentic and thoughtful kit for prints, posters, zines, comics, and more.
