Bird,Joseph R. Dodson,2011-07-07 **LUCIANITY** John Byer,2021-03-30 Lucianity the Perverse Religion of Christians is a book about the hidden history of the New Testament where it not only reveals the scripture s mysterious origin but also its very unique and clandestine creation In this book the reader will learn that Christianity the religion that people sincerely believe and practice today is not the religion of Christ Instead it is the religion of an overzealous disciple who was able to gain possession of every gospel and almost every epistle in addition to most of the other manuscripts related

to early church affairs and then after the death of the apostolic authors edit and rewrite them to reflect his peculiar religious beliefs and philosophy For instance he conflated Jesus with God and called him Lord That disciple is identified as Lucius the Bishop of Cyrene who unfortunately never understood the spiritual nature of man the spiritual resurrection of Christ or the purpose for why God sent Christ on a mission to Earth As a consequence of ignorance and the lack of understanding by Lucius man has unknowingly accepted the false and unorthodox beliefs of Lucianity which have been incorporated into the creeds gospels epistles and a host of other bible related documents This newly discovered information was deciphered by a seasoned detective when he deconstructed the 2000 year old biblical scripture line by line and verse by verse All Christians who number in the billions today will be stunned and perplexed by his findings especially all the ministers who promote the Bible as the true word of God Some of it is and some of it isn't nevertheless this book identifies God's true word in Isaiah and Daniel and it even illustrates the exactness and preciseness of His word plus other prophetic scripture by the use of numerous exhibits since the detective believes a picture is worth a 1000 words Christ flipped over the tables of the money changers signifying the coming end to the desolation that existed in the Jewish Temple In like manner the detective has upset an applecart full of false beliefs which will hopefully awaken people to the realization of Lucianity or modern day desolation and usher in the resurrection of true Christianity Christians will learn the unvarnished truth about their ascribed beliefs for probably the first time in 2000 years and more particularly how they have been bamboozled and conned by a very clever disciple The Bible is the most sold and most read book in the entire world and yet not a single person in the world has recognized the fact that at least 75% of the scripture in the New Testament is really the prodigious work of a secretive behind the scenes apostolic era Bishop In his writings Lucius used ancient manuscripts and even a book by Flavius Josephus to write various gospel chapters not the spoken words of Jesus While looking over the Detective's shoulder the reader will see and learn exactly how he identified all the fraud implanted into the pages of the Bible via easy to understand scriptural analysis and a variety of exhibits As such reading the New Testament is generally a waste of time unless one has the persistence capability and patience to do a thorough time consuming focused multi year forensic exam like the one contained inside the pages of the book Lucianity No similar criminal investigation of the Bible has ever been completed and no similar book exists If a person is searching for just the facts regarding their Christian faith then the Detective assures all seekers of truth that they will know more about the Bible God Moses Isaiah Daniel and Christ i.e. the Anointed One of God after reading Lucianity than they ever will by reading Biblical scripture And more importantly if they truly understand the message of Jesus Christ as revealed within the pages of this book they should also learn something about themselves no matter their status rank position race or sex their incarnation is not an accident of nature but a self-chosen deliberate purposeful spiritual event Just like Christ every man woman and child has come to Earth in order to fulfill a spiritual mission not to fulfill a short sighted worldly aspiration for material goods and wealth

2000 Years of Lies Jairo Borda Jara, 2024-06-20 The Christian

Bible or so called New Testament depends to a great extent on the writings of the Jewish Bible The problem here is that the New Testament writers misused the Hebrew Bible and made a dishonest use of Biblical Jewish texts to support its false teachings This work exposes the manipulation distortion and falsifications of Jewish Biblical texts Wherever Jewish Biblical Texts are used in the New Testament they are intentionally manipulated to show something different than its original message was meant to be This can be seen all the way along the Gospels and even more so in the writings of Paul There are two Jesus figures One that speaks like a Jew and one Jesus that speaks like a non Jew The New Testament is built on false salvation teachings with no Jewish Biblical support The teachings are supported by Gnosticism Mystery religions cults and some distorted judaism

Christianity Paul John,2007-02-22 Christianity The Ultimate Urban Legend is the 2nd book in a trilogy called appropriately The Misconception Trilogy It presents a comparison between the Bible texts writers of the time period as well as documented history of the ancient world This book covers the time period from Herod the Great s death through the early 2nd century The author a devoted Christian at one point in his life questions belief shown to be inaccurate though comparisons of the different oral traditions Gospels and history This book shows how stories from the early 1st century were distorted and presented inaccurate contradictory accounts in the four Gospels This book is primarily an analysis and critique of the New Testament writing errors strange stories out of context Biblical references and poorly done science fiction As a Protestant originally the story of Jesus was presented as documented by the Apostles who had witnessed the events Jesus was shown to be the person who developed the Christian religion Analysis of the New Testament indicates Jesus and Paul taught two different concepts The reader is presented with facts and knowledge that stimulate thought provoking questioning of the accepted beliefs 2000 year old oral traditions legends misconceptions and misconstrued reality are exposed for your analysis Intelligent people of today continue to exempt and overlook key contradictions in the story of Jesus In reality what was it that Jesus actually taught Did Jesus really believe he was the Messiah of the Jewish people come to usher The Kingdom of God into the world Or was Jesus the Savior of the world come to die on the cross for you and me in order to redeem us all from our sins These two ideas are not the same This book should help you think and analyze the concepts for yourself so you can make your own logical conclusions If nothing else it will at least help you understand the misleading contradictory Gospels were in fact developed from oral traditions and are the basis for The Ultimate Urban Legend Jesus Christ

A Peculiar Prophet Michael A. Turner,2010-09-01 There is no more trusted mentor of preachers in North American Christianity today than William H Willimon The author of over sixty books a frequent preacher and teacher in pastors schools and events Willimon has earned a following as one of the people to whom preachers turn more often than any other Turner and Malambri make Willimon s role as a mentor to preachers more available than ever Both former students of Willimon s they provide detailed and practical tools for learning from this peculiar prophet They offer samples of Willimon s sermons and commentary on them by other leading preachers and homilicians such as Tom Long and Peter

Gomes The point of this examination of Willimon's work is not simply to praise it but to assess both its strengths and its weaknesses and to help readers learn in the process how Willimon can be a model of what to do and at times what not to do in the pulpit Written with the needs of practicing preachers in mind this book will make a significant contribution not only to understanding a great preacher but also to preaching itself

Jesus in Muslim-Christian Conversation Mark Beaumont, 2018-03-01 Jesus is a revered messenger of God for Muslims and Lord and Savior for Christians How can Muslims and Christians relate to each other when this figure from the past attracts them yet drives them apart Jesus is the very center of the Christian faith but for Muslims he is a faithful witness to God who is central to Islam In the twenty first century is it possible for Muslims and Christians to relate to each other around him This book is an attempt to bring together two representative voices from Muslim and Christian communities to talk about Jesus Ibrahim is a Sunni Sufi Muslim who has studied Christianity and has been active as an academic in the Western world Paul is an Evangelical Protestant who has lived in the Muslim world and has been engaged in teaching religious studies in the West The conversation begins with the conception of Jesus and ends with his return from heaven and deals with his earthly work in between His miraculous activity his teaching and the titles he has been given are considered in detail and differences over the ending of Jesus life are debated

Reason and Doctrine Tony Devaney Morinelli, 2016 Reason and Doctrine presents a simple straightforward outline of Christian dogmas that not only contradict the scientific world view they have no foundation in scripture The author considers a wide range of ancient texts in Greek Hebrew and Latin and their contemporary translations and discusses the texts that have come to be known as Paul's letters where he finds distinct errors from the references to Genesis to the accepted story of Jesus as a blood sacrifice While fully documented and founded on a scholarly investigation the book is written for general readers

The New Testament Story Ben Witherington, 2004-04-26 This is a print on demand book and is therefore non returnable This informative clearly written book introduces the New Testament in two main ways 1 it explains where the New Testament came from and 2 it examines the New Testament writings themselves Ben Witherington first tells how and why the New Testament documents were written and collected and how they came to be known as the New Testament that we have today He then discusses the main stories and major figures in the New Testament Witherington looks particularly at the Gospels examining how and why their stories differ and pointing out what these ancient biographies actually say about Jesus He also surveys the ways that these stories were told and retold explaining how this literary development has influenced Christian theology ethics and social thought At once scholarly and accessible it really is written in plain English Witherington's guide to the origins and message of the New Testament is eminently suitable as a text for college and seminary students With each chapter followed by a section called Exercises and Questions for Study and Reflection The New Testament Story will also prove valuable to individual readers and ideal for church classes and group Bible studies

A Little History of Religion Richard Holloway, 2016-08-23 For curious readers young and old a rich and colorful history of

religion from humanity's earliest days to our own contentious times. In an era of hardening religious attitudes and explosive religious violence, this book offers a welcome antidote. Richard Holloway retells the entire history of religion from the dawn of religious belief to the twenty-first century with deepest respect and a keen commitment to accuracy. Writing for those with faith and those without, and especially for young readers, he encourages curiosity and tolerance, accentuates nuance and mystery, and calmly restores a sense of the value of faith. Ranging far beyond the major world religions of Judaism, Islam, Christianity, Buddhism, and Hinduism, Holloway also examines where religious belief comes from, the search for meaning throughout history, today's fascinations with Scientology and creationism, religiously motivated violence, hostilities between religious people and secularists, and more. Holloway proves an empathic yet discerning guide to the enduring significance of faith and its power from ancient times to our own.

Building Your Life on the Principles of God: the Solid

Foundation Anthony Bright Atwam, 2014-12-18 Lord, please continue to have mercy on humanity. You have made provisions for everything we need in this world and the world to come. Yet many people, although they desire good life, are suffering; some are confused, others are desperate, families are broken down, our nation is struggling to cope, many people are lost in spiritual matters, and sin. In this book, the author's main argument is that God, in his unfailing love for humanity, has already provided what people are frantically seeking in life. What people need to do is to turn to the Holy Scriptures for guidance. This book can be of such help. You see, when life is calm, our foundations don't seem to matter. But when crisis comes, our foundations are tested. In this book, the author also argues that it is a waste of time and effort for people to build their lives on a faulty foundation. Jesus describes God's principles as a solid foundation for people to build their lives on. We are strangers in this world; therefore, we need someone who knows the journey of life to guide us. God is the creator of this world, and He alone knows the in and out of this world. His principles provide guidance for a perfect life. The attempts by some groups of people to suppress the knowledge of God in the society have not been very helpful in many ways, although they could not succeed. For example, these people could not provide the society with any viable alternative guiding principles on how people should live their lives. This has led many people to turn to wrong sources for guidance, sometimes with very little success or no success at all, leading to a life of despair, hopelessness, and failure. Because of this suppression of God's word, there seems to be famine in our society, famine of truth, famine of the word of God. There is also darkness in our society; many people are confused, and some do not know what to do with their lives. But the word of God is light; it gives understanding, it gives hope, it provides guidance on spiritual matters, the salvation of the human soul, and solutions to all our problems. Sometimes life is easier and beautiful if you know what to do in any situation; you find yourself. Many people desire a good family life, peace, joy, hope, self-discipline, strength, encouragement, a connection with a higher being that transcends human existence, and meaning to life in their spiritual quest. As you read this book, know that I am praying for you for all these blessings in Jesus' name, amen. Anthony Bright Atwam. According to scripture, the church is the salt and the light of this world. But the church seems to have locked

the resources God has given her to be given to the world in the room and has put the keys in her pocket while the world is suffering One of the things the church needs to do is to start to unpack and release the resources God has given her to meet the needs of postmodern spiritual quest Anthony Bright Atwam **The "Man Christ Jesus"** Stephen Oliver Stout,2011-06-17 Does the Apostle Paul have any use for the person of Jesus presented in the Gospels Critical scholarship thinks not but this book argues that Paul not only mentions more than seventy specific details of the historical Jesus but he also commends the character of Jesus and echoes His teachings repeatedly in his letters and sermons in full agreement with the Gospel accounts Stout examines Paul s intriguing description of the Man Christ Jesus 1 Tim 2 5 and suggests that this title fulfills the OT expectation of God appearing in human history as a man In his incarnated humanity the Man Christ Jesus accomplished salvation in the historical events of his life and death and in his resurrected humanity he appeared to Paul on the Damascus Road rooting Paul s Christology deeply in human experience Furthermore Stout shows how Paul rests his concept of salvation on a neglected aspect of his doctrine that the entire church is associated with the historical events of the life death and resurrection of Jesus an association which also unites his church with one another in fellowship and service This book then demonstrates that Paul s gospel rests upon Jesus as a man of history who brings salvation into human history in his life death and exaltation as the Man Christ Jesus **The New Sacred** Don C. Davis,2015-03-11 Which is better to live on the holding edge of the past or the growing edge of the future Don Davis writes on the growing edge of the future His novel A Place In The Story is about choosing to live on the growing edge The seven sequels are more than just the best of serious fiction they tell the story of Dr Kelly beloved granddad who is also a down to earth philosopher of life future vision speaker and writer and a most unusual professor Through A Place In The Story we can shadow Dr Kellys faith journey story and dare to dream our best dreams then give them their best chance to happen as fellow pioneers of new tomorrows and the new sacred We live in the greatest age in all human history We are indebted to the past but we owe more to the future The rewards have never been greater for the human family to choose the identity markers of the Big Ten Universal Qualities to define our best future When we choose the Big Ten Universal Qualities for our identity markers our brain creates a kind of inner voice a talisman an alter ego that magnetizes the identity markers that lead us to our higher self **Unexpected Jesus** Craig Hovey,2012-09-12 How can Christians live with a surprising God How can we know and trust God without taming God or reducing God to an idol Is knowing God the same thing as being open to God Is God s freedom to act independently of our knowing him actually how we know him most genuinely and deeply In Unexpected Jesus Craig Hovey explores in depth the idea that the Christian gospel is a surprising encounter that calls for people to risk living with a God who shows up in unexpected ways The Gospels often portray Jesus Christ as elusive and difficult to grasp Hovey helps the reader to un expect Jesus to preserve Jesus s reality as a surprise rooted in the resurrection As living and free the joyous presence of Christ in the world is also unfathomable and uncontainable Jesus s being free and surprising unexpected

strengthens Christians trust in God and helps them to live in God s world
