

ROAD TO
Reality

A romantic couple in white clothing embracing at night. The woman has long blonde hair and the man has dark hair. They are positioned in the center of the frame. In the upper left, a burst of golden and red fireworks is visible against the dark, starry sky. The overall mood is intimate and celebratory.

By Way of Obstacles Emmanuel Falque,2022-12-06 In *By Way of Obstacles* Emmanuel Falque revisits the major themes of his work finitude the body and the call for philosophers and theologians to cross the Rubicon by entering into dialogue in light of objections that have been offered In so doing he offers a pathway through a work that will offer valuable insights both to newcomers to his thought and to those who are already familiar with it For it is only after one has carved out one's pathway that one may see more clearly where one has been and where one might be going Here readers will discover the profound relation between Falque's emphasis on the human experience of the world and his desire for philosophy and Christian theology to enter into conversation For only by speaking within the human horizon of finitude can Christianity be credible for human beings and it is because Christian theology teaches that God entered into our finitude that it can also teach us something of what it is to be human Contemporary phenomenology Falque warns over privileges an encounter with the infinite that cannot be originary Calling us back to finitude he calls us to a deeper understanding of our humanity
