*Classic Book Reviews and Timely Stories* Charles J. Scott, 2021-04-07 *Classic Book Reviews and Timely Stories* By Charles J. Scott We all want to learn from perceptive intelligent and experienced individuals we admire so that we may live better lives ourselves Obviously we need good guidance and a positive influence on our thought processes for this purpose That is why we read great books from knowledgeable sources and listen to our role models Because he likes to reflect on the books he has read and incorporate the favorable impressions they have made on him into his daily activities author Charles Scott developed the habit of writing a series of book reviews and short stories to commemorate the occasion The reviews have provided him with a diving platform or a jumping off point of departure for making sound decisions and evaluating his actions Consequently the resulting stories represent a celebration of the life and times in which he has lived They are meant to celebrate humanity in an otherwise uncertain world throughout the ages **The New York Times Book Reviews 2000**

Shapes, Scenes and Strokes: Book Reviews 2015 Manuel Augusto Antão, 2016-01-13 The experience of thinking about preparing or writing a text be it a book review or about an art exhibition cannot be limited solely to the artistic experience There must always be another kind of challenge I want that elusive thing that I found together with the encounter that I had with the object and the experience we lived together Every day when I wake up I don't think about writing but I wonder whether I'll be able to rise to the calling of that particular object a book a painting a play opera etc The characters in them are never marginal figures I know that they exist but I do not know them I do not confront myself with them or I only do so in highly stereotypical situations where they almost become invisible When I write about something this is my attempt at turning the invisible into the visible **The New York Times Book Review**, 1995-09 Crime Writers Elizabeth
