Project Management The Managerial Process:

Project Management: The Managerial Process Clifford F. Gray, Erik W. Larson, 2020-01-09 Project Management 8e provides a holistic and realistic approach to Project Management that combines the human aspect and culture of an organization with the tools and methods used. It covers concepts and skills used to propose plan, secure resources, budget and lead project teams to successful completion of projects. This text is not only on how the management process works but also and more importantly on why it works. It is not intended to specialize by industry type or project scope rather it is written for the individual who will be required to manage a variety of projects in a variety of organizational settings. 8e was written for a broad range of audiences including project managers, students, analysts and Project Management Institute Members preparing for certification exams. The digital component Connect now has enhanced algorithmic problems, Application Based Activities, SmartBook 2.0 and Practice Operations, a game based 3D operations management simulation. *Project Management* Erik W. Larson, Larson et al., Beverley Honig, Clifford F. Gray, David Baccarini, Ursula Dantin, 2013-09-26 Project Management The Managerial Process provides a holistic integrative view of project management with a focus on the above framework. It presents readers with a complete picture of project management not only what to do and how to do it but also why it is done. This international adaptation contains the valuable addition of local and regional cases and applications. The generic approach in this text ensures relevancy across all studies and industries for students, prospective project managers, project management practitioners, analysts, managers or those assigned to project teams. *Project Management* Erik W.
