Comments:

- Definition of the XYZ deliverable needs to be finalized. Content is currently being generated. This important deliverable will need to be reviewed and updated for high quality.

Controls

Issue Status:

- A strategy needs to be established and agreed upon relative to responding to requests for information associated with the project. This issue is being worked.

Change Status:

- XYZ deliverable due date changing from 3/7/2005 to 3/21/2005.

Risk Status:

- **Risk:** There is risk that the project accomplishments could lose their impact and the needed momentum for the follow-on effort could be minimized if a transition plan to the next phase is not defined and executed.

Mitigation: The following two activities are being initiated:

1. A communications plan is being developed and executed to support the involvement of the Governor's office and related legislative sponsorship.
2. A program portfolio for the follow-on effort is being generated. A transition work plan will capture the recommendations of the project. Follow-on project initiatives will be developed based on the recommendations of the project.
