The Great Rift Valley: Splitting a Continent

Begin your essay here. This is your introduction containing your thesis statement and brief mention of the major points to follow in the body. Use double spacing between the lines.

Each paragraph is indented. Either use the space bar five times, or press the tabulation key once. Your text is left aligned. The commonly accepted font is Times New Roman and the size is 12. Use 8.5" x 11" paper and print your text on one side only.

Note that the title of your essay is the same font and size as the rest of the details. Do not use bold, italics, or underlining for it. Margin settings are normally 1" for top and bottom and 1.25" for left and right, although 1" would probably be fine there too.

In the upper right corner of each page, including the first page, type your surname and the page number as seen above: Livingstone 1. On the second page, you would type "Livingstone 2" and so on.
