Vital Preaching The Art Of Sharing God S Word:

Vital Preaching Justin W. Tull, 2015-01-20 Within the pages of this book Dr Tull explores the theology and practice of preaching He insists that preaching is a craft to be honed one that grasps the essence of the biblical message the nuances of day to day life and the skills required to connect the two He shares with the reader his own keys for vital preaching and concludes by offering sermons that illustrate how these keys can be put to good use Preachers in search of a fresh look at the art of preaching or those ready to explore the practice of preaching without notes will find here keen insights and valuable practical steps for the awesome task of proclaiming God s word *What Pastors Do* Andrew J. Lamont-Turner, As the spiritual leaders of their congregations pastors play a vital role in shaping the direction of the church and impacting their communities But what are the challenges they face and what can be done to equip them for effective ministry In this book we delve into the complexities of pastoral ministry exploring the personal characteristics calling and gifting required for success We examine the importance of relationship building navigating conflict maintaining healthy boundaries and embracing ongoing learning and professional development We also caution against the dangers of a ministry solely based on digital media the conformity of the church to societal values and collaborating with other churches that may lead to false doctrine With a biblical foundation and practical insights this book is a valuable resource for pastors and those aspiring to enter pastoral ministry *Preaching: Speaking for God* Dr. Brian J. Bailey, 2017-08-07 Dr Bailey s manual on preaching has been used by many succeeding classes of Bible school graduates who have studied the art of making and delivering sermons You will learn practical tips and methods from one who has preached and taught for over fifty years in churches Bible schools seminars and crusades around the world **The Art of Dialogue** Ineke de Feijter, 2007 Media and culture are deeply intertwined in contemporary society Religions have problems relating to this media culture which is shaped by media processes and conditioned by digital media and interactive forms of communication Media set the agenda and they profoundly challenge religions both with respect to their public communication and their very existence and public relevance People increasingly use media for shaping their religious identity and their search with respect to questions of ultimate meaning Barely any theological studies exist that reflect on religious policies and their subsequent praxis in the field of communication The author analyzes Christian policy views and identifies the main problems and opportunities in relating to media culture *The Art and Craft of Biblical Preaching* Zondervan, 2009-05-26 A Comprehensive Resource for Today s Christian Communicators This extensive encyclopedia is the most complete and practical work ever published on the art and craft of biblical preaching Its 11 major sections contain nearly 200 articles comprehensively covering topics on preaching and methodology including Sermon structure and the big idea The art of introductions transitions and conclusions Methods for sermon prep from outlining to exercising Approaches to different types of preaching topical expository evangelistic and more Best practices for sermon delivery speaking with authority and using humor Leveraging effective illustrations and

The Art of Preaching Charles Reynolds Brown, 1922

Between the Ambo and the Altar Guerric DeBona, 2014-10-02 The publication of The Roman Missal Third Edition offers an opportunity for homilists to explore the relationship between the Sunday readings and the new Roman Missal Between the Ambo and the Altar is the second book Year B in a three volume series that presents scriptural liturgical and preaching commentary for Sundays solemnities and feasts throughout the year Each Sunday's resources are presented in three sections exploring the Scripture connecting the Lectionary with the liturgy and a homiletic strategy DeBona takes the preacher through a meditation on the language of the Missal suggests parallels to the Sunday Lectionary and gives practical homiletic strategies using core themes and images It is hoped that the commentary advances a framework for homily preparation so that preachers might savor the deep meaning of the word of God which unfolds each year in the liturgy Benedict XVI Verbum Domini 52

Religious and Theological Abstracts, 2004

Preaching the Atonement Peter Stevenson, Stephen Wright, 2005-12-01 Preaching the Atonement explores some classic texts which throw light on the atonement Each chapter focuses on a key Biblical passage offering a theological commentary which will help both preachers and church members gain a deeper understanding

Preaching the Atonement Peter K. Stevenson, Stephen I. Wright, 2009-06-01 Preaching the Atonement explores some classic texts which throw light on the atonement Each chapter focuses on a key Biblical passage offering a theological commentary which will help both preachers and church members gain a deeper understanding

Evangelism J. D. Payne, 2011-02-01 Not a one size fits all approach this book provides the reader with healthy and clear parameters for sharing faith applicable to differing cultural contexts in today's world

Stand-Up Preaching Jacob D. Myers, 2022-10-06 Few vocations share more in common with preaching than stand up comedy Each profession demands attention to the speaker's bodily and facial gestures tone and inflection timing and thoughtful engagement with contemporary contexts Furthermore both preaching and stand up arise out of creative tension with homiletic or comedic traditions respectively Every time the preacher steps into the pulpit or the comedian steps onto the stage they must measure their words and gestures against their audience's expectations and assumptions They participate in a kind of dance that is at once choreographed and open to improvisation It is these and similar commonalities between preaching and stand up comedy that this book engages Stand Up Preaching does not aim to help preachers tell better jokes The focus of this book is far more expansive Given the recent popularity of comedy specials preachers have greater access to a broad array of emerging comics who showcase fresh comedic styles and variations on

comedic traditions Coupled with the perennial Def Comedy Jams on HBO preachers also have ready access to the work of classic comics who have exhibited great storytelling and stage presence This book will offer readers tools to discern what is homiletically significant in historical and contemporary stand up routines equipping them with fresh ways to riff off of their respective preaching traditions and nuanced ways to engage issues of contemporary sociopolitical importance *Under the Oak Tree* Ronald J. Allen, John S. McClure, O. Wesley Allen Jr., 2013-11-06 Two trends in the early twenty first century intersect to give this volume immediate relevance 1 The emerging postmodern ethos in North America is calling into question many things we have taken for granted including the purposes of the church and 2 our time is increasingly fractious as groups with distinct worldviews become polarized and often antagonistic Eleven noted contributors join a growing current that sees conversation as an image to refresh our thinking about the nature and purpose of the church and as a process in which individuals and communities with different perspectives come together for real understanding Under the Oak Tree employs the image of Sarah and Abraham greeting three visitors under the Oaks of Mamre as an image for the church as a community of conversation a community that opens itself to the otherness of the Bible voices in history and tradition others in the contemporary social and ecological worlds Furthermore the book shows how conversation can lead the church to action The book takes a practical approach by exploring how conversation can shape key parts of the church's life Topics include preaching worship formation evangelism pastoral care mission and ecumenism social witness and the relationship of Christianity to other religions Foundational chapters consider God as conversational the church as community of conversation and the minister as conversation leader **A Revitalization of Images** Gregory C. Higgins, 2019-03-05 The philosopher theologian and biblical scholar Austin Farrer 1904-1968 highlighted in his various writings the central role that images play in the interpretation of biblical writings the construction of theological arguments and the descriptions of the Christian spiritual life Theologians down through the centuries have sought to revitalize the central biblical images as they addressed the pressing theological moral and spiritual questions of their day A Revitalization of Images offers students the opportunity to participate in this ongoing creative engagement with ten dominant biblical images that continue to shape the church's beliefs and practices as well as each Christian's own spiritual journey Sound theology is rooted in Scripture conversant with past thinkers and engaged in the present life of the church This dynamic directly informs Revitalization In each chapter we begin with a biblical image that has figured prominently in the Christian theological tradition Next we examine two prominent voices from the Christian tradition who have drawn upon the image when crafting a compelling vision of the Christian life We then turn our attention to a contemporary thinker who has incorporated or critiqued the image in his or her own theological work This discussion is set within the current spectrum of theological positions including orthodox liberal postliberal and postmodern perspectives **Playing with Fire** David J. Schlafer, 2004-01-25 Offering a fresh approach to homiletics David J. Schlafer provides an invitation to preaching by way of metaphor Starting with the fire of

Scripture and engaging in the work of preaching as play Schlafer offers new ways of approaching the preaching moment Taking into account the preacher's call the stages of preparation the role of the congregation and the presence of the Holy Spirit in the midst of it all we discover that playing with fire is a sacred act indeed Two metaphors dance together across the pages of this book fire and play Two metaphors plus a hunch that texts of the Scriptures the grounding voices of inspiration for Christian preaching offer more than just truths to be interpreted and transmitted What we call the Scriptures are the work of a great company of preachers The Bible is a treasure lode of imaginative insights regarding how the mystery of preaching might be entertained from the Introduction
