

**MID YEAR EXAMINATION
MARCH-2025
GENERAL SCIENCE PAPER 2**

Duration: 1 ½ hr.

Name: _____

Grade: 8 _____

Max. Marks: 50

General Instructions:

1. **Read Carefully:** Make sure to read each question and instruction thoroughly before answering.
2. **Time Management:** Manage your time effectively to ensure you complete all sections of the exam.
3. **Answering Questions:** Answer all questions in the spaces provided. If you need extra space, use the additional pages at the back of the exam booklet.
4. **Writing:** Write legibly. If your handwriting is difficult to read, your answers may not be marked correctly.
5. **Use of Calculators:** Calculators are not allowed unless specified. Ensure to show all your workings for mathematical questions.
6. **Permitted Materials:** Only bring items that are allowed for the exam (e.g., pens, pencils, erasers, rulers). All electronic devices, except approved calculators, must be turned off and stored away.
7. **Circle ONE option.** If you need to change your answer just put one line through or just write an omit.

DO NOT TURN UNTIL YOU ARE TOLD TO DO SO

Were To Get Mid Year Exam Papers That Licked:

Big Bone Lick Stanley Hedeon, 2021-02-15 Shawnee legend tells of a herd of huge bison rampaging through the Ohio Valley laying waste to all in their path To protect the tribe a deity slew these great beasts with lightning bolts finally chasing the last giant buffalo into exile across the Wabash River never to trouble the Shawnee again The source of this legend was a peculiar salt lick in present day northern Kentucky where giant fossilized skeletons had for centuries lain undisturbed by the Shawnee and other natives of the region In 1739 the first Europeans encountered this fossil site which eventually came to be known as Big Bone Lick The site drew the attention of all who heard of it including George Washington Daniel Boone Benjamin Franklin Meriwether Lewis and William Clark and especially Thomas Jefferson The giant bones immediately cast many scientific and philosophical assumptions of the day into doubt and they eventually gave rise to the study of fossils for biological and historical purposes Big Bone Lick The Cradle of American Paleontology recounts the rich history of the fossil site that gave the world the first evidence of the extinction of several mammalian species including the American mastodon Big Bone Lick has played many roles nutrient source hallowed ground salt mine health spa and a rich trove of archaeological and paleontological wonders Natural historian Stanley Hedeon presents a comprehensive narrative of Big Bone Lick from its geological formation forward explaining why the site attracted animals regional tribespeople European explorers and scientists and eventually American pioneers and presidents Big Bone Lick is the history of both a place and a scientific discipline it explores the infancy and adolescence of paleontology from its humble and sometimes humorous beginnings Hedeon combines elements of history geology politics and biology to make Big Bone Lick a valuable historical resource as well as the compelling tale of how a collection of fossilized bones captivated a young nation **UPPCL Executive Assistant**

Real Gangstas Timothy R. Lauger, 2012-09-01 Street gangs are a major concern for residents in many inner city communities However gangs secretive and at times delinquent tendencies limit most people's exposure to the realities of gang life Based on eighteen months of qualitative research on the streets of Indianapolis Real Gangstas provides a unique and intimate look at the lives of street gang members as they negotiate a dangerous peer environment in a major midwestern

city Timothy R Lauger interviewed and observed a mix of fifty five gang members former gang members and non gang street offenders He spent much of his fieldwork time in the company of a particular gang the Down for Whatever Boyz who allowed him to watch and record many of their day to day activities and conversations Through this extensive research Lauger is able to understand and explain the reasons for gang membership including a chaotic family life poverty and the need for violent self assertion in order to foster the creation of a personal identity Although the book exposes many troubling aspects of gang life it is not a simple descriptive or a sensationalistic account of urban despair and violence Steeped in the tradition of analytical ethnography the study develops a central theoretical argument combinations of street gangs within cities shape individual gang member behavior within those urban settings Within Indianapolis members of rival gangs interact on a routine basis within an ambiguous and unstable environment Participants believe that many of their contemporaries claiming gang affiliations are not actually real gang members but instead are imposters who gain access to the advantages of gang membership through fraud and pretense Consequently the ability to discern real gang members or to present oneself successfully as a real gang member is a critical part of gangland Indianapolis Real Gangstas offers an objective and fair characterization of active gang members successfully balancing the seemingly conflicting idea that they generally seem like normal teenagers yet are abnormally concerned with and too often involved in violence Lauger takes readers to the edge of an actual gang conflict providing a rare and up close look at the troubling processes that facilitate hostility and violence
