West Virginia Board Of Education Policy 51:

The Politics of Curriculum Decision-Making M. Frances Klein,1991-01-01 Recent proposals for school reform have involved a significant shift in how curriculum decisions are made particularly at the state level In response to these proposals actions taken by educators have underscored the critical nature of the issue regarding who makes curriculum decisions This book examines the issues involved in how this pivotal concern has been addressed in the past and how it is being handled now Each chapter contributes to a more complete understanding of the complexities involved in the recent trend toward the centralization of curriculum decision making The book will assist both researchers and practitioners in better understanding the issues involved as well as the impact of the movement Teacher Education Policy in the United States Penelope M. Earley,David G. Imig,Nicholas M. Michelli,2011-05-23 This book advances deep understanding of the nature and sources of policy affecting the preparation of teachers in the U S and the conflicts or interconnections of these policies with the broader field of education policy **Michie's West Virginia Code, Annotated** West Virginia,1977 **West Virginia Politics and Government** Richard A. Brisbin,John C. Kilwein,L. Christopher Plein,2024-08 Combining new empirical information about political behavior with a close examination of the capacity of the state s government this third edition of West Virginia Politics and Government offers a comprehensive and pointed study of the ability of the state s government to respond to the needs of a largely rural and relatively low income population **Resources in Education** ,1996-08 **Handbook of Education Politics and Policy** Bruce S. Ness,2007-11-13 While a substantial number of studies have evaluated the effects of merit aid programs there is a surprising lack of any systematic consideration of how states determine eligibility criteria for these scholarships The selectivity of merit aid eligibility criteria can be as important as whether or not such programs are adopted If for example merit aid programs have broad easily

attained initial eligibility criteria then a large proportion of high school graduates including low income and under represented students will gain eligibility On the other hand if the criteria are more rigorous then a smaller proportion of students likely those already planning to attend and with the means to afford college will be eligible Thus this innovative book the first to deepen the descriptive and conceptual understanding of the process by which states determine merit aid scholarship criteria is crucial to understanding merit aid s success and failures at fulfilling the promise of education
