**Weygandt's Managerial Accounting** Jerry J. Weygandt, Paul D. Kimmel, Donald E. Kieso, 2017-09-05 Weygandt's Managerial Accounting provides students with a clear introduction to fundamental managerial accounting concepts. This edition helps students get the most out of their accounting course by making practice simple. Designed for a one semester undergraduate Managerial Accounting course, the authors provide new opportunities for self-guided practice allowing students to check their knowledge of accounting concepts, skills, and problem-solving techniques and receive personalized feedback at the question, learning objective, and course level. Newly streamlined learning objectives help students use their study time efficiently by creating clear connections between the reading and video content and the practice homework and assessment questions. Using metric units and companies with a more global feel, this new text is ideal for courses across the world.

**Managerial Accounting** Jerry J. Weygandt, Paul D. Kimmel, Donald E. Kieso, Ibrahim M. Aly, 2018-05-28 Managerial Accounting teaches students the fundamental concepts of managerial accounting in a concise and easy-to-comprehend fashion. Stimulating review materials at the end of each section help students develop their decision-making skills. Students are provided the tools and guidance to take more initiative in their learning, making them more engaged, more prepared, and more confident.

**Accounting Principles** Jerry J. Weygandt, Paul D. Kimmel, Donald E. Kieso, 2018-02-28 Weygandt's Accounting Principles continues to provide students with a trusted and clear introduction to fundamental accounting concepts, which has made this best-selling text so popular. Helping students get the most out of their accounting course by making practice simple, the new edition continues to present the accounting cycle from a sole proprietor perspective whilst providing the latest IFRS integration throughout. Separate references to GAAP are made at the end of each chapter for courses where needed. To maximise student achievement, a plethora of additional teaching and learning resources will be available, including self-tests, exercises, templates, videos, and more. Using metric units and companies with a more global feel, this new text is ideal for courses across the world.

**Financial & Managerial Accounting** Jerry J. Weygandt, Paul D. Kimmel, Donald E. Kieso, 2015-01-07 Financial and Managerial Accounting 2nd Edition provides students with a clear introduction to fundamental accounting concepts. The Second Edition helps students get the most out of their accounting course by making practice simple. Both in the print text and online in WileyPLUS with ORION, new opportunities for self-guided practice allow students to check their knowledge of accounting concepts, skills, and problem-solving techniques and receive personalized feedback at the question, learning objective, and course level. Newly streamlined learning objectives help students use their study time efficiently by creating clear connections between the reading and video content and the practice homework and assessments questions. Weygandt Financial and Managerial Accounting is ideal for a two semester Financial and Managerial Accounting sequence where students spend equal time learning financial and managerial accounting concepts and learn the accounting cycle from a corporate perspective. This program begins by introducing

students to the building blocks of the accounting cycle and builds to financial statements WileyPLUS with ORION is sold separately from the text

**Information Quality and Management Accounting** Stephan Leitner,2013-01-24 One of the main aims of management accounting is to provide managers with accurate information in order to provide a good basis for decision making There is evidence that the information provided by management accounting systems MAS is distorted and the occurrence of biases in accounting information is widely accepted among users of MAS At the same time the intensity and the frequency of use of MAS increase too Consequently the quality of the provided information is critical The focus of this simulation study is twofold On the one hand the impact of the sophistication of traditional costing systems on error propagation in the case of a set of input biases is investigated On the other hand the impact of single and multiple input biases on the quality of the information provided by traditional costing systems is focused In order to investigate the research questions a simulation approach is applied

Accounting Principles Jerry J. Weygandt,Paul D. Kimmel,Donald E. Kieso,2010-12-20 Weygandt s Accounting Principles introduces challenging accounting concepts with examples that are familiar to accountants The new edition has been updated with the latest IFRS IASB standards Additional coverage is included on foreign currency translation and LCM More discussions focus on risk management as a result of the financial crisis The examples also emphasize current examples in order to help accountants make the connection to their everyday lives
