And Other Stories But if from the outset he found his idea the most agreeable of fellow travellers it was only in the aromatic
solitude of the woods that he tasted the full savour of his adventure There during the long cool August days lying full length
on the pine needles and gazing up into the sky he would meet the eyes of his com panion bending over him like a nearer
heaven And what eyes they were clear yet unfathom able bubbling with inexhaustible laughter yet drawing their freshness
and sparkle from the central depths of thought To a man who for twenty years had faced an eye re ecting the commonplace
with perfect accuracy these escapes into the inscrutable had always been Peculiarly inviting but hitherto the Professor 8
mental infidelities had been restricted by an unbroken and relentless domesticity Now for the first time since his marriage
chance had given him six weeks to himself and he was coming home with his lungs full of liberty About the Publisher

The Touchstone Edith Wharton,2019-12-17 The first woman to win a Pulitzer Prize for her novel The Age of Innocence
Edith Wharton was discouraged by her mother from pursuing her writing at an early age Despite this she would go on to
produce a prolific body of work which included many novels and short stories Characteristic to her work is the subtle use of
dramatic irony and having grown up in a prominent New York family she would become one the most astute critics of pre
World War I upper class society In the Touchstone we find the story of Stephen Glennard who spurned the love of the
tortured novelist Margaret Aubyn When Margaret dies Stephen who is failing in his career sees an opportunity to gain from
her notoriety so that he may afford to marry his beautiful fianc e In this short and charming work Wharton exhibits that true
depth of love and human forgiveness [Wharton 10 X Mixed Pack \(Menzies\)](#) Edith Wharton,1996-04-04 [The Custom of](#)
[the Country](#) Edith Wharton,2017-07-22 Considered by many to be her masterpiece Edith Wharton s second full length work is
a scathing yet personal examination of the exploits and follies of the modern upper class As she unfolds the story of Undine
Spragg from New York to Europe Wharton affords us a detailed glimpse of what might be called the interior d cor of this
America and its nouveau riche fringes Through a heroine who is as vain spoiled and selfish as she is irresistibly fascinating
and through a most intricate and satisfying plot that follows Undine s marriages and affairs she conveys a vision of social
behavior that is both supremely informed and supremely disenchanted Anita Brookner [Here and Beyond Annotated](#) Edith
