Hitler's rise to power as well as Voegelin's two books analyzing the explosive race issues posed by National Socialism. The essays herein reflect the intellectual and political tumult of the period and their author's maturing grasp of political reality as he moved away from positivism and Kelsen's Pure Theory of Law toward a more refined and open philosophical stance. The heart of this shift is signaled by his emphasis on philosophical anthropology and on the decisive importance of the moral substance basic to political communities. The topics of the essays are grouped around major themes in sociological theory, political science, and the theory of law. They illuminate the theoretical and practical impact of Voegelin's experiences in America as he increasingly engages European theories of state, especially the social theories of leading French and German scholars. In content, these essays include such pragmatic concerns as American theories of property, economic transactions, due process of law, and Austrian constitutional reforms. Book Jacket

### **Index to Book Reviews in England, 1749-1774**

Antonia Forster, 1990. This index provides valuable information on the vast majority of reviews of poetry, fiction, and drama during the first 25 years of modern formalized book reviewing in England. Forster introduces readers to the wealth of material in the two major review journals, *Monthly Review* and *Critical Review*, the two major magazines, *Gentleman's* and *London*, and 11 other periodicals. She includes in her 3,023 entries information on format, price, and bookseller's name taken from the books themselves. In her Introduction, Forster surveys some material concerning the reviewers' public attitude to their self-appointed task to provide a background against which the reviewers' literary judgments can be examined.

*Monthly Labor Review*, 1974. Publishes in depth articles on labor subjects, current labor statistics, information about current labor contracts, and book reviews. *A Writer's Eye: Collected Book Reviews*, Welty, Eudora, 1994. Although she is eminent primarily as the prize-winning author of classic works of fiction, Eudora Welty is notable also as an astute literary critic. Her essays on the art of fiction and on the writers who enlarged the range of the short story and the novel are definitive pieces. Her distinguished book reviews, along with her critical essays, augment her reputation for being one of the most discerning author critics in literary America. This collection of her book reviews manifests the connecting of her penetrating eye with her responsive intellect in forming sympathetic judgments of the books she reviewed. Between 1942 and 1984, Welty wrote sixty-seven reviews of seventy-four books. Fifty-eight of these appeared in the *New York Times Book Review*, and others in the *Saturday Review of Literature*, *Tomorrow*, the *Hudson Review*, the *New York Post*, and the *Sewanee Review*. The reviewed books include novels, short story collections, books of essays, biographies, and memoirs, books of letters, children's books, books of ghost stories, photography books, books of literary criticism, and books of World War II art. Over nearly half a century, she reviewed books by some of the foremost authors of her time: Virginia Woolf, William Faulkner, V. S. Pritchett, Colette, Isak Dinesen, E. B. White, E. M. Forster, J. D. Salinger, Ross Macdonald, Patrick White, S. J. Perelman, Annie Dillard, Elizabeth Bowen, and Katherine Anne Porter. *A Writer's Eye* includes all of Welty's book reviews, even one published in the *New York Times Book Review* under the pseudonym Michael Ravenna. Sixteen of the reviews were collected previously in Welty's *The*

Eye of the Story 1978 In this collection Pearl Amelia McHaney's introduction records the history of Welty's career in book reviewing and illuminates the honesty and compassion with which Welty wrote reviews Welty's keen vision her wit and her refined style make these monuments to interruption a phrase she wrote in description of Virginia Woolf's essays and reviews an important record of her literary standards and special interests They show as well how book reviewing consumed a large measure of creative time that she customarily devoted to fiction writing Placed beside her authoritative critical essays this volume enhances Welty's considerable literary stature and completes the image of Eudora Welty as a consummate woman of letters
