Brockway Ph.D.,2023-12-07 This book *Essays in Search of Understanding* covers a wide range of topics from Puzzles and Problems in Buddhism to so called unconditional love Many of them are short and pithy meant more as discussion starters than as something authoritative and final But all of them reflect considerable thought and inquiry Thoughts and lines of argument which may well both spark your own interest and further your own thinking on these topics But the book is not an exercise in technical or academic philosophy Reading and understanding it does not require an advanced degree in philosophy it only

requires an interest in any of the various subject matters and a willingness to wrestle with ideas The shortness of many of the essays and their open endedness are meant to invite the reader into an evening s discussion It can often be both challenging and enlightening to come to see what you actually believe about a topic or even more surprising what your beliefs about a particular subject commit you to believing about still other subjects Enjoy *Essays on Literature* Thomas Carlyle, Fleming McClelland, Brent E. Kinser, Chris Ramon Vanden Bossche, 2020-02-04 Essays on Literature brings together ten of the most important literary reviews and essays written by the acclaimed Victorian philosopher social critic and essayist Thomas Carlyle Spanning his writing career the essays allow the reader to track Carlyle s development as a reviewer and stylist the evolution of his perennial themes and the tremendous impact of his writing on the development of British and American literature In keeping with the Norman and Charlotte Strouse Edition of the Writings of Thomas Carlyle these essays are accompanied by a thorough historical introduction to the material extensive notes providing historical and cultural context while expanding on references and allusions and a textual apparatus that carefully details and explains the editorial decisions made in reconciling the many editions of each essay *Essays Old and New* Essie Chamberlain, 1926 [Catalogue](#) , 1883
