He tells his compelling poignant story as a warning to others whose desire to make a lot of money may lead them down the wrong paths with dire consequences. Mostly with his deep understanding of how the American system works, he brings the wisdom of knowing what not to do as well as what aspects of life one must protect in order to build a decent and fulfilling life in America. In his own words, Muchina says: "This book is everything I wish someone had told me when I first came to America. So if you're planning to migrate to America, this book will help you answer some of the most important questions you may have such as: What are the 5 top myths about America? What are the top 5 mistakes most immigrants make? Is The American Dream possible for an immigrant? What will your host expect of you when you get to America? Where should you settle in and why? How are you expected to behave in America? How is America different from where you're coming from? What are you going to love about the country and its culture? Will you be able to get a job? How much does housing cost? What can you or can't you do? What kind of bills will you have to pay? What kind of taxes will you have to pay? How much money will you be able to earn per month? How much will you be able to save per month? If you wanted to start a business, could you? What kind of rights will you have as an immigrant? How do undocumented immigrants get jobs? What kind of work do undocumented immigrants do? What jobs pay better than others for immigrants? What rights do immigrants have? Do undocumented immigrants have any rights? What's a social security number and why does everyone need one? What if you can't get a social security number because of your immigration status? How do you get a driver's license? If you go out of status, will you be able to get a driver's license? Where can you get a driver's license if you overstay your visa? What can you expect from friends and relatives when you move to America? How should you deal with relatives back home? What's a FICO credit score and how does it determine your success or failure? What mistakes are you likely to make that could ruin your life in America? Will your foreign university degree get you a job in the United States?" In part 4, you'll hear the story of the author, an immigrant whose life was nearly destroyed in America due to the lack of information such as found in this book. In his pursuit of the American dream, he made all the wrong mistakes just like so many immigrants and citizens make. He hopes to spare you from the same fate so you have a chance to succeed and get yourself a piece of the American Dream.
