Ferruccio Busoni and His Legacy Erinn E. Knyt, 2017-05-22 An analysis of the composer's unconventional teaching style and philosophy, his relationship with his students and his effect on twentieth-century music. Many students of renowned composer, conductor and teacher Ferruccio Busoni had illustrious careers of their own, yet the extent to which their mentor's influence helped shape their success was largely unexplored until now. Through rich archival research, including correspondence, essays and scores, Erinn E. Knyt presents an evocative account of Busoni's idiosyncratic pedagogy, focused on aesthetic ideals rather than methodologies or techniques, and how this teaching style and philosophy can be seen and heard in the Nordic-inspired musical works of Sibelius, the unusual soundscapes of Varèse, the polystylistic meldings of music and technology in Louis Gruenberg's radio operas and film scores, the electronic music of Otto Luening and the experimentalism of Philip Jarnach. Equal parts critical biography and interpretive analysis, Knyt's work compels a reconsideration of Busoni's legacy and puts forth the notion of a Busoni School as one that shaped the trajectory of twentieth-century music. Erinn Knyt's *Ferruccio Busoni and His Legacy* is a most welcome addition to the literature on Busoni as a fine example of research based on primary sources. Bach

A Chronological History of Australian Composers and Their Compositions - Vol. 2 Stephen Pleskun, 2012-12-30 This book is volume 2 of a 4-volume series, the first 3 of which have been published by Xlibris and the 4th almost complete for imminent delivery. In its entirety, this work is the most comprehensive and accurate account of Australian Classical Music making ever undertaken. Its scope is from 1901-2012 and includes more than 800 composers, famous and obscure, with more than 30,000 compositions, including details of their premieres, where, when and by whom. Individual performers, ensembles, orchestras, opera and ballet companies, music educators, instrument makers, academics, entrepreneurs, philanthropists and critics are included as part of the story. The foundation and demise of music institutions, venues and festivals is recorded chronologically. Altogether, an extensive picture of Australian Classical Music production and performance can be gleaned in any given year.
