Skeptics Guide To The Bible:

The Born Again Skeptic's Guide to the Bible Ruth Hurmence Green,1999 A mockery of the Bible and Christianity

The Born Again Skeptic's Guide to the Bible Ruth Hurmence Green,1979 *Solving Bible Mysteries* Dennis James Kennedy,2000 Often a Bible passage s meaning is obvious But sometimes Scriptures seem incomprehensible even contradictory How do we as believers correctly interpret these puzzling passages The author of What If Jesus Had Never Been Born and What If the Bible Had Never Been Written takes an in depth look at passages of Scripture that are difficult to understand From an overview of the dichotomy of faith versus works to the meaning behind I John 3 9 Whoever has been born of God does not sin NKJV Solving Bible Mysteries offers powerful insight on some of Christianity s challenging questions

A Skeptic's Guide to Belief Ken Crispin,2019-04-04 What would happen if you faced your doubts set aside your preconceptions and decided to follow the path of truth wherever it might lead Most people whether believers or atheists doggedly defend what they have always believed Many see this as an expression of faith Yet there is something almost inexpressibly sad about the plight of people living out their lives in reliance upon beliefs they dare not question Perhaps that is why many of us come to a point at which we feel compelled to pursue the truth no matter what the implications But even if we found the courage to embark upon such a journey could we really find a path through the scientific philosophical experiential and theological thickets that surround the great questions of life And if we did would we know the truth and be set free Would we be forced to face a long feared despair Or would we find ourselves still staring impotently at an enigmatic universe This is a book unlike any other It addresses these questions with unflinching honesty drawing evidence from a diversity of scientific fields and subjecting the competing arguments to rigorous skeptical analysis **Politically Incorrect**

Guide to the Bible Robert J. Hutchinson,2007-10-16 In the beginning the Bible was regarded as the Good Book but today it is under relentless attack from left wing audiences novelists and screenwriters to justify their own political agendas But fear not award winning religious journalist Robert J Hutchinson refutes the mockers skeptics and deniers in his new book The Politically Incorrect Guide to the Bible Using historical evidence and thorough analysis Hutchinson not only proves the Bible to be true and the liberal Left wrong but also takes the truth one step further showing how the Bible built and shaped Western civilization The Bible is the source for the Western ideas of justice science and democracy Hutchinson argues and without it Western civilization would not exist *The God Who is I Am* Jim Greene,2015-01-06 In the beginning God Created the Heavens and the Earth and when complete He created Adam and Eve In this short book you will learn about God the Creator Man the Created God s Plan for Man and much more including Hermeneutical Basics Before the Beginning and Beyond Systematic Theology for everyday people *Meet the Skeptic* Bill Foster,2012-03 Meet the Skeptic is a new approach to apologetics and evangelism that organizes a non believer s objections into four basic root ideas Learn how to effectively share your Christian faith without reaching for comebacks and offering churchisms This new approach to

apologetics and evangelism is written for teens college students and adults A leader s guide and workbook are available for church and educational classroom settings Are you equipped to handle the skeptic s questions **Whited Tombs D.**

Shurtleff,2006-06-01 One of the characteristics of the true church of Jesus Christ is that it will always face persecution and attack This book outlines the similarities between the Pharisees of old who sought to persecute Jesus and his kingdom and their modern day counterparts This book is based on real life experiences of the author occurring over his lifetime including his many years of service as a chaplain within the U S Army Those years of service placed him in close contact with the preachers and doctrines of Christianity and occasionally exposed him to the intricacies of the age old tactics used by the modern day Pharisees This book provides insights into how the modern disciple of Jesus can counter the influence and arguments of the modern Pharisees and further reveals their motivations techniques and weaknesses It is also written for those enemies of truth in hopes that if they read this book they will awake to see themselves in the unhappy position of fighting against the living Christ and will like Saul of Tarsus turn from their course and embrace what they once sought to destroy The Sceptic's Guide to God David Heenan,2008 Why have so many well known statesmen and scientists as well as famous sportsmen musicians and writers from our current era and from past ages expressed such a passionate belief in God

In this revealing information packed and thought provoking book you will Discover why more and more scientists are rejecting Darwin s Theory of Evolution Learn how palaeontology the study of fossils fails to provide the crucial evidence needed to support Evolution Furthermore leading evolutionists admit it Find out why DNA is such convincing evidence of God at work in creation Discover how The Bible makes secret reference to famous events and people ranging from Shakespeare and Picasso to the assassination of President Kennedy and the destruction of New York s Twin Towers Find out how The Bible supports modern day findings by astrophysicists See the scientific evidence for Noah s Ark and the parting of the RedSea by Moses Discover what God thinks about us Learn what heaven is really like Find out what the Bible predicts for the future and much much more **Stitched-up** Stephanie Vermeulen,2004 This feisty and inspiring treatise blames the destructive cultural myth of female self sacrifice for the desire for breast implants the conservative insistence on family values and the general cultural attitude that prevents women from supporting one another s accomplishments Using everything from psychological analysis to clever fairy tale parodies called fairer tales the author promotes an ideology for women that is neither bra burning feminism nor passive conservatism but rather a belief in self development **A Thematic**

Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter,2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often

requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

A Funny Thing Happened on the Way Through My Bible Study Bruce T. Morris, 2008-05 Have you felt failure in forgiving Do you know how your justices and legislators should be acting upon critical decisions affecting the family Does your marriage need a boost Or even your divorce Would you like to know more about how to please God and support your friends in marital status Have other authors avoided the controversial issues from the Bible Perhaps you need a little help identifying and using your spiritual gift Do a few passages of Scripture completely baffle you Mr Morris walk through his Bible studies will surely help you in one or more of your challenges Why not take your walk with him Mr Morris was saved as a 7 year old He felt the call to preach as an 11 year old He became a pretty serious Bible student right after salvation and felt that desire grow for years He graduated from Hardin Simmons University Abilene TX with a major in Bible He then spent most of his elective credits in pursuit of the New Testament as he earned a Master of Divinity at Southwestern Baptist Theological Seminary Fort Worth TX He served 27 months in the US Army He retired from the pastorate after 1 1 3 years as assistant to the pastor and almost 29 years as senior pastor of four other churches Whether in school in pastoral ministry in secular work or in retirement Bible reading and Bible study remain an important part of his life He lives in retirement in Abilene Texas with his wife of 52 years Betty Martin Morris They have three children seven grandchildren and three great grandchildren Among other pursuits he is at work on his second book a Commentary on Romans and his next book on additional Biblical issues

INERRANCY OF SCRIPTURE Edward D. Andrews, 2020-08-13 Inerrancy of Scripture How Can We Believe Inerrancy of Scripture in the Originals When We Don't Have the Originals delves into the complexities surrounding the authenticity and inerrancy of the Bible Author and conservative Bible scholar provides a comprehensive exploration of how faith in the inerrancy of Scripture can be maintained even in the absence of original biblical texts Throughout the book the author examines the formation of the Canon scrutinizes the doctrine of biblical inerrancy and infallibility and explores why we don't necessarily need the original manuscripts to believe in the inerrancy of Scripture The discourse extends to why the Holy Spirit would allow for errors in copies after inspiring the original inerrant texts and probes how we can reconcile belief in inerrant originals when we don't possess them Diving into the book writing process of the New Testament the author discusses the place of writing the role of the scribe and the influence of inspiration and inerrancy during the writing process

Further sections of the book tackle the issues of textual variants the early Christian view of the integrity of the Greek New Testament books and the legacy of the Hebrew Scriptures As skepticism grows in the modern age the author brings attention to the dangers of skepticism ambiguity and uncertainty and offers readers a faithful response to selective skepticism when it comes to God and the Bible The book also explores the role of the Holy Spirit in the inspiration of the Bible s authors and presents explanations for common Bible difficulties Inerrancy of Scripture concludes with a thoughtful consideration of why God has allowed the proliferation of different religions numerous Christian denominations and a multitude of textual variants in the books He inspired This work serves as a detailed and nuanced study for those seeking to navigate the intersections of faith historical criticism and scriptural understanding in the pursuit of biblical inerrancy Ideal for scholars theologians and anyone seeking a deeper understanding of the reliability of Scripture this book is an invaluable addition to your theological library

But That's Not What It Says! Roger Talley,2014-06-22 **US-Christians-for-Wars** V.C. Thomas,2013-08 This is a compilation of articles found on the Internet which looks at who is mainly responsible for terrorism death destruction and genocide around the world today Based on the numbers killed in Asia the Middle East the United States of America is responsible for terrorism and genocide on a colossal scale Ground war with modern weapons and aerial bombing 4 years in Korea 10 years in Vietnam 10 years each in Iraq Afghanistan is terrorism resulting in the deaths of millions In wars before WWI the combatants could see who they were killing US aerial bombing since WWII involves no risks to the US military while terrorizing killing innocent civilians and destroying cities the suicide bombing by a few Muslims youths get a lot of publicity in the US so this document concentrates on the atrocities of Jews and so called Evangelical Christian Right in the US Jews Christians and Muslims believe in the same God described in the Old Testament Bible OTB by God himself the Bible is the Word of God as a petty retarded vindictive genocidal maniac Israel was created in 1948 by Eastern European Jews converts to Judaism 1 000 years ago with no Semitic genetic or ancestral connection to Palestine because of the Holocaust in Europe It was created by eradicating Palestinians from their ancestral homeland by armed robbery genocide Palestinians had nothing to do with the Holocaust the most zealous supporters of US wars since WWII particularly on behalf of Israel created

in 1948 are the Right Wing Evangelical Fundamentalist Conservative Christians RWEFCC In the 1950s and 1960s the evil enemy Satan Anti Christ was communism When communism disappeared the RWEFCC switched to condemning hating attacking the evil Muslims RWEFCC people believe that once Palestine Palestinians have been eradicated and replaced with God's new only chosen people of Eastern European origin Armageddon the end of the world and the Second Coming of Christ are imminent They ignore the spiritual message of Christ the moral and ethical justification by Zionists Christians for creating Israel by armed robbery and mass murder in 1948 is the Old Testament Bible OTB and Revelations in the New Testament Bible NTB It is supposed to be fulfillment of Biblical prophecy the Old Testament Bible OTB is historical mythology and teaches hatred cruelty murder genocide sexism homophobia racism Revelations is ridiculous science horror fiction by primitive ignorant people of ancient times It is nearly impossible for a politician to get elected to office in the US Bible Belt today without the support of Zionist Christians and if they do not affirm that they also worship Jews as God's only chosen people and Israel as a country created by God

Why I Became an Atheist John W. Loftus, 2012-10-10 For about two decades John W Loftus was a devout evangelical Christian an ordained minister of the Church of Christ and an ardent apologist for Christianity With three degrees in philosophy theology and philosophy of religion he was adept at using rational argumentation to defend the faith But over the years doubts about the credibility of key Christian tenets began to creep into his thinking By the late 1990s he experienced a full blown crisis of faith In this honest appraisal of his journey from believer to atheist the author carefully explains the experiences and the reasoning process that led him to reject religious belief The original edition of this book was published in 2006 and reissued in 2008 Since that time Loftus has received a good deal of critical feedback from Christians and skeptics alike In this revised and expanded edition the author addresses criticisms of the original adds new argumentation and references and refines his presentation For every issue he succinctly summarizes the various points of view and provides references for further reading In conclusion he describes the implications of life without belief in God some liberating some sobering This frank critique of Christian belief from a former insider will interest freethinkers as well as anyone with doubts about the claims of religion

[The Simple Book of Profound Truths](#) Matthew L. Williams M.A. Ph.D., 2011-08-04 This book is a revolutionary text for revolutionary spiritual times Facing imminent global financial collapse and great adversity for the foreseeable future people will need a powerful faith in God just to survive But who can have great faith if they don't know anything about God and how he works in our lives or if he even exists God reveals spiritual knowledge to mankind not in an even continuous flow but in rare bursts or quantum leaps forward The last such spiritual burst in Christianity occurred almost 2000 years ago with the teachings of the New Testament Since then virtually no progress has been made in terms of spiritual insight into the Bible Even worse scholars today don't understand very well God's lessons from the last burst That's why you'll find even prominent Christian teachers still debating such basic spiritual concepts as the following Can non Christians be saved What is the role of science and especially evolution in relation to the

Bible What roles do free will and predestination play in our lives and salvation Unfortunately while Christian spirituality has remained stuck in the past mankind has pushed ahead into the twenty first century With the explosive growth of knowledge science and global communications Christianity must improve the way it addresses peoples spiritual concerns or face irrelevance and eventual extinction This book represents a revolution in spiritual understanding that takes Christianity into the twenty first century and beyond It is the latest burst of spiritual insight 2000 years in coming Mankinds oldest and most vexing spiritual questions are answered here in full accord with logic science and reason In addition the reader will find new insights into understanding the Bible living a spiritual life and for the first time ever a new vision of Bible prophecy and the end of the world There is no book like this **Subject Guide to Books in Print** ,1997
