Speedy Publishing LLC, 2014-07-04 Having a Medical Terminology Book is a good reference to have for one's library. It helps people to better understand the health conditions they may have and those of loved ones because medical jargon can be unclear and confusing. It also aids in helping patients to communicate with their medical care providers in a clear, concise way. It is a necessary tool for health professions students and for professionals like Doctors, Nurses, Nursing Assistants, and Allied Health Practitioners to have and consult.

Medical Terminology Speedy Publishing LLC, 2014-07-28 There is so much information the student gleans from basic medical terminology of the human body that further study is impossible without this foundation. Including pronunciation of words, prefixes and suffixes of words, spelling, and especially word definitions are all part of the basis of medical terminology.
