Pieterella - Daughter of Eva Dalene Matthee, 2012-10-02 *Pieterella Daughter of Eva* opens in the early days of the first white settlement at the Cape of Good Hope beneath the shadow of Table Mountain with the Dutch East India Company clinging precariously to a little piece of land Robben Island in Table Bay Eva was one of the first interpreters and intermediaries between her Goringhaicona

tribe and the Dutch and Pieterella's father was Pieter van Meerhoff the Company surgeon who was murdered by slave dealers in Madagascar. Pieterella and her siblings were among the first mixed race children born at the Cape and their lives are a manifestation of a sentiment often expressed by Matthee in this novel that life can consist of heaven and hell rolled up together in one bundle. After her mother's sudden and untimely death, the orphaned Pieterella and her brother Salomon are sent to the hurricane and drought-afflicted Mauritius, a penal colony at the time, to work as slaves to foster parents. Pieterella barely survives the exhausting sea voyage and a premature marriage becomes her salvation. Pieterella remains attached to the memory of her mother and is full of turbulent emotions about how she is both brown and white in the same body. What will her children look like? Is she really only half human as she has so scornfully been told? Will she ever come to terms with who she is and find the peace and comfort she yearns for? Through this remarkable true story, which took three years of intensive research into old journals, diaries, and historical records, Matthee has resurrected and breathed new life into the early history of the Cape and Robben Island and Mauritius, the isles of banishment. She skilfully balances the elements of Pieterella's life: love and shame for her mother, the impersonal might of the Company versus one individual and a slave who is freer than a free woman. She allows the historically misunderstood Eva finally to come into her own through the eyes of her clever, sensitive daughter.

Why We Need Russian Literature Angela Brintlinger, 2024-02-08 For nearly two centuries, readers all over the world have turned to the great canon of Russian literature. Love and death, war and peace, yes even crime and punishment, readers across the globe have found in Russian writing a substantial measure of intellectual provocation, aesthetic pleasure, emotional resonance, and personal solace. Why We Still Need Russian Literature explores the familiar names of Pushkin, Tolstoy, Dostoevsky, and Chekhov to connect readers with these experiences. With a lively, jargon-free style and insightful analyses of thought-provoking texts, this concise volume helps you to understand more fully the pleasure to be found in reading and re-reading. By identifying what readers seek and find in Russian books, from aesthetically pleasing descriptions to apt psychological renderings, Angela Brintlinger aims to enhance the gratification of reading, giving armchair travelers an excuse to embark on a series of fascinating journeys. Drawing on Brintlinger's experiences as a scholar, teacher, and reader of literature, the book is informed by a deep cultural understanding of Russia and Russians. It reveals this through engaging literary meditations that connect Russian literature to the losses, ironies, and ambiguities that define the human condition. Exploring authors' imagined readers as well as authors themselves, Brintlinger argues that it is these readers from all over the world who get to decide what literary works are worth reading. As a bonus, she offers an appendix with more names and titles familiar and perhaps utterly new, books that show the ways in which Russian literature remains vital today.

English Solved Papers (2023-24 UGC NTA NET/SLET/JRF) YCT Expert Team, 2023-24 UGC NTA NET SLET JRF English Solved Papers **Subject to Others (Routledge Revivals)** Moira Ferguson, 2014-08-01 First published in 1992, *Subject to Others* considers the intersection between late seventeenth to early nineteenth-century British female writers and the

colonial debate surrounding slavery and abolition Beginning with an overview that sets the discussion in context Moira Ferguson then chronicles writings by Anglo Saxon women and one African Caribbean ex slave woman from between 1670 and 1834 on the abolition of the slave trade and the emancipation of slaves Through studying the writings of around thirty women in total Ferguson concludes that white British women as a result of their class position religious affiliation and evolving conceptions of sexual difference constructed a colonial discourse about Africans in general and slaves in particular Crucially the feminist propensity to align with anti slavery activism helped to secure the political self liberation of white British women A fascinating and detailed text this volume will be of particular interest to undergraduate students researching colonial British female writers early feminist discourse and the anti slavery debate
