Coincidence Or God You Decide is a collection of episodes the author s family and friends experienced These stories take place in Mexico as well as the United States In each story you will find a fascinating and sometimes life threatening situation such as a nine passenger six door Excursion traveling sixty miles an hour on the icy Arkansas River Bridge railing in Tulsa Oklahoma Read what happened to the nine fathers in this vehicle Decide for yourself if God or luck was with them Then there is the girl whose foot was mangled in a packing plant accident or the family who was marvelously saved when the train bridge over the San Rafael River collapsed and the center portion of the train they had been in fell into the river In this book you will meet a man who gave his home to a poor family and a little boy who lost his father s best knife in a lake His mother prayed and moments later the boy s brother caught a fish with the knife in its mouth Did that just happen You decide In the days before cell phones see what happened to a fifteen year old boy stranded at Love s Truck Stop in Gallup New Mexico 700

miles from home You will live through a tornado with the Hightower family in Neosho Missouri and shiver with Dofia Margarita sitting on her house top during a long night You will bake with the Children s Christmas Project and learn how much they earned for the Huruma Orphanage in Kenya Africa and shout when a man gives Charlotte 500 for a basket of homemade bread While swimming on the Baja California coast you will struggle with Tim against a strong undercurrent that was dragging him out into the Pacific Ocean Will Tim see his family again Were the persons in danger accidentally saved or did the power and love of God assist them The author wants you to decide Both blessings and difficulties will swirl around us as we walk through life Romans 8 28 says We know that all things work together for good to them that love God to them who are called according to His purpose Psalms 139 17 How precious are thy thoughts toward unto me O God If I should count them they would be more in number than the sand True Love MJ Fields,2022-01-16 The Blue Valley series is not your typical love story It is a journey through one s past maybe even a story resembling someone close to you It s our story Tessa Ross has finally decided to give herself a break A break from her forced smiles A break from the people she loves A break to help her heart heal A break to mend and regain the strength that she once had A break to find herself again A break to focus on the next step in her life journey And so she puts distance between herself Lucas and Blue Valley returning to her family s house in Cape Cod a place that she always loved and felt loved in Will it lead her home to seek comfort in those she loves or will she see that home has always been with her Warning Highly Emotional This book contains volatile characters in real life situations that may be triggers to some readers This was love not a fairy tale until it became one Patti's Journey in Faith Evelyn Wagner,2011-07-17 Patti sat there pleading for God s protection Was this the way the boat felt out on the Sea of Galilee when the disciples were so afraid She tried to picture Jesus right beside her on a plane that felt like it was out of control Patti watched the lightning as it flashed outside her window She thought about their guardian angels riding along with them Grow with Patti Evelyn on her journey A journey of faith prayer and love Share the tears and joys of a young wife mother and daughter learning to trust and to lean on her Best Friend Let her encourage you and reinforce your faith as you also find the same inner strength Patti serves a BIG God Join her as she discovers just how much God cares about her and realize her God is your God too *Techmares* Timothy D. McLendon,2002-07-15 There is no available information at this time Visitor ,2002 **365 Meditations for Teachers by Teachers** Sally D. Sharpe,2010-09-01 365 Meditations for Teachers by Teachers offers a year s worth of short daily meditational readings written specifically for teachers by teachers Four different writers of faith present three months worth of meditations each providing a variety of topics and writing styles Designed to be used by readers of all ages each daily meditation is brief enough to be read in just a few short minutes yet meaningful enough to prompt a longer time of reflection and prayer if desired Each day s reading includes a focus Scripture verse a brief reflection and a prayer **From the Jar of Blessings** Shawn Wells,2024-06-10 From the Jar of Blessings is a compilation of about 270 blessings and or inspirational quotes that were sent to me by family and friends over a period of

eleven years I would write each blessing quote on bright colored squares of paper fold them up and put them in a big glass olive jar I have For this book I have taken each blessing and or quote and written my thoughts about them Some of the blessings quotes are deeply personal while others are quite funny This book reminds us that God sends us blessings and inspiration on a regular basis whether it be a simple blessing such as a small act of kindness or a huge blessing such as sparing a life after what could have been a fatal accident All too often we are so busy that we don't take the time to focus on the blessings all around us Some of the blessings in this book were sent to me by adults and others were sent by kids For some reason kids have an easier time recognizing blessings One boy sent in the following blessing I am thankful a boy in my class spoke up and stopped someone from bullying me I was so blessed to know that there were students at the school who were willing to stand up for others Bullying is such a problem in our schools and it is so important that children and adults stand up against it The blessings quotes in this book deal with topics such as Alzheimer's disease caregiving lack of finances cancer and many more Hopefully the blessings and or quotes in this book will cause you to look at day to day life from a different perspective
