The Rape of Zimbabwe Ricky Wilson, 2006-02 This is the true story of the flamboyant Ricky Wilson often referred to by his compatriots as Tricky Ricky who with his wife and young daughter emigrated to the then Rhodesia. The opportunities that presented themselves very soon after their arrival and what he did to acquire wealth would have been beyond his dreams in the U K. The book tells of the political settlement, majority rule and change of government to a black administration led by Robert Mugabe and the trials and tribulations that went with it. Ricky's direct involvement with most of Robert Mugabe's ministers and his Government vividly conveys the trials and tribulations of African politics and the very rife corruption that was and still is throttling the country. So many of the country's prosperous settlers who had become the economic backbone of the country have flown to safer havens and Ricky's plight is representative of many who have had no option but to leave. In a very real sense this is the inside story of a country that has been raped, now reduced to famine and rough injustice by the ruling thugs that have plundered the resources internally and from outside aid to feather their own nests and Swiss bank accounts.

The Message of Light Amid Letters of Darkness Rosemarie Birri D'Alessandro, 2023-12-21 On April 19 1973 Rosemarie D'Alessandro's daughter Joan said Goodbye Mommy as she ran out the door. Joan was a Brownie Scout and she was excited about delivering the last two boxes of Girl Scout cookies to a neighbor. Her mother didn't know it would be the last time that she would see her seven-year-old child alive. Her neighbor sexually assaulted and brutally murdered her joyful little girl. The crime stunned the suburban community of Hillsdale, New Jersey, and the entire nation. The emphasis on child safety changed overnight. Rosemarie was numb with grief but she was able to get some peace and solace by her belief that there was a hopeful message in the significant days Joan was killed and found. Twenty years later when her killer shockingly had a chance to get out of prison she started a grassroots movement and the community united together to get over one

hundred thousand signatures opposing his parole Rosemarie saw that laws had to be changed to stop the injustice that her family had to go through Her efforts led to the passage of five laws on the state and federal level that would help to protect children and give victims more rights An unimaginable turn of events took place when a man brought her 332 letters that Joan s killer wrote After he died in 2021 Rosemarie felt free to share all the letters in their entirety which gives the reader a rare opportunity to see inside the mind of a killer In this book *The Message of Light amid Letters of Darkness* the letters are included with Rosemarie s summaries and comments and she tells the parallel story of her life and activism during the time period the letters were written Her story shows the power of the human spirit as Rosemarie finds a way to make something hopeful out of horrendous tragedy She perseveres to go for what she believes in despite unexpected obstacles and hardships She doesn t let hate and animosity take her down freeing her to go forward and become Joan s voice Fifty years later Joan s legacy of hope justice and love shines brighter than ever

Memories of a Gemini Malcolm K. Drumheller,2011-03-04 It is my hope that you will find something enjoyable in my many lines something that will speak to you as it spoke to me when it was first conceived Its not always easy being a poet feeling drawn or compelled to express the fullness you feel within The great poet Robert Frost expressed it best when he said Being a poet is a condition not a profession Enjoy
