Subject: (*****)

Dear Nasim Strong,

I hope you both are doing fine and living well at home. I am also fine and my work is also going well here. I am planning to visit you both soon. But the reason for writing this letter is actually something else. Actually, there is no such reason today. I am writing this letter just to say thank you. Thank you for being such loving, kind and caring parents. You guys are my only strength. I was at work and suddenly you both came in my mind and I thought if there's a reason that I am able to work at one of the biggest industry present in the world, then it's not because I did good which being in school and college. It is because of the lessons and values you both have added in my life. I am born with some great traits that I received from you both.

I can't just thank you enough for being there in my life. I hope I would make you two proud of me some day. I really do so.

Well, mom, please do not get much emotional after reading it. It is just a thank you because in return I want you to make my favorite curry when I'll come home. Dad, you look great.

I love you both.

Yours,
Keaton Underwood

DBT? Skills Manual for Adolescents Jill H. Rathus, Alec L. Miller, 2014-11-20 Dialectical behavior therapy has revolutionized cognitive behavioral therapies with constructs such as mindfulness and acceptance now permeating behavioral approaches. Adolescents differ from adult clients with regard to emotional and cognitive developmental level and context: they overwhelmingly attend school and reside with their families and depend on them for daily functioning, including for getting to therapy. Thus we considered developmentally relevant as

well as family based targets cognitive processing and capability differences distinct liability issues and interventions with their environments Our adapted adolescent skills handouts are being used in multiple research settings many clinical settings around the world employ some version of our materials The publication of this manual makes them more widely available along with group management strategies and skills teaching notes to assist the DBT skills trainer working with adolescents
