home to Last Chance New Mexico for one reason because it doesn't change. After an engagement gone bad with a man who wanted to change everything about her, Sarah is more than ready for the town whose motto may as well be "If it ain't broke, don't fix it." Chris Reed, on the other hand, wants nothing more than to spark some change in the little town. As the new owner of the Dip n Dine, he's shaking things up to draw folks from all over the Southwest into his restaurant. As it turns out, the winds of change are blowing into Last Chance just not in the ways that Sarah or Chris might expect. With the same evocative writing and fascinating characters that won fans for her debut novel, Cathleen Armstrong invites readers back to Last Chance for a soul-searching romantic story of two people navigating the twists and turns of small town life. *The New Yale Book of Quotations* Fred R. Arthur Spiegelman, Washington Post Book World on the original edition: Updated to include more than a thousand new quotations, this reader-friendly volume contains over twelve thousand famous quotations arranged alphabetically by author and sourced from literature, history, popular culture, sports, digital culture, science, politics, law, the social sciences and all other aspects of human activity. In addition, *The New Yale Book of Quotations* reveals the striking fact that women originated many familiar quotations yet their roles have been forgotten and their verbal inventions have often been credited to prominent men instead. This book's quotations, annotations, extensive cross-references and large keyword index will satisfy both the reader who seeks specific information and the curious browser who appreciates an amble through entertaining pages.
