The Abingdon Bible Commentary Frederick Carl Eiselen,Edwin Lewis,David George Downey,1957 The Abingdon Bible Commentary Carl Eiselen Frederick (Lewis, E . Downey, D ., Ed), **The Abingdon Bible Commentary. Edited by F.C. Eiselen ... Edwin Lewis ... and David G. Downey** Frederick Carl EISELEN,David George DOWNEY,Edwin LEWIS (Professor in Drew Theological Seminary.),1929 Eiselen-Abingdon Bible Commentary Regular David George Downey,1941-03 *Abingdon Bible Handbook* Edward Payson Blair,1975-01-01 Abingdon New Testament Commentaries | John Dwight Moody Smith,1999 In this volume Smith views the Fourth Gospel within several contexts in order to illuminate its specific purposes and achievements A growing consensus of recent scholarship including Martyn Raymond E Brown Meeks seeks the roots of this Gospel and its traditions in the conflict between Jesus followers and opponents within Judaism In their struggles Jesus followers are encouraged and strengthened by his continuing presence in the Spirit which articulates his meaning for new situations Although distinctive Johannine Christianity does not develop in complete isolation from the broader Christian Gospels Out of a fascinating if complex setting develops the strikingly unique statement of Christian faith practice and doctrine found in the Gospel of John The purpose of this commentary is to enable the reader to comprehend that statement in historical perspective in order to appreciate its meaning and significance

Basic Bible Commentary Brady Whitehead,Abingdon Press,1994-06 Revised and updated Based on the NRSV and NIV translations Covers every book verse by verse Each volume also contains maps charts a pronunciation guide and a glossary Available in sets or individually **The Bible in History** Robert B. Waltz, The Bible in History A study of the history folklore and occasionally even the mathematics underlying the Bible A sort of dictionary of scholarly material you likely won t find elsewhere Dedicated to Elizabeth Rosenberg Patricia Rosenberg and Catie Jo Pidel Please understand that this is not a Biblical commentary Also while I try very hard to avoid actual theological discussions the work is very much based on external evidence the manuscripts of the Bible the evidence of other historical records the findings of science the folklore about the Bible Some of this can be offensive to some particularly those who try to find exact literal truth in the Bible I hope you will accept it or else not read it in that light If you are still interested there is a lot of historical background about the Bible here not always direct links to the Bible but the context of the nations among whom the Israelites lived There is no Biblical mention of say Nabopolassar of Babylon but his actions would deeply influence Judean history Knowing even a little of that history can help understand the Bible Also where there are variant readings in the manuscripts of the Hebrew Bible or the New Testament I note it This may mean that we are uncertain what the Bible says and hence what it means I try either to recover the original meaning or in some cases to assess the meanings of both readings And then there are the tidbits of science and folklore and anything else I can think of The result is a grab bag Some parts may be useful some may not The idea is to browse and see what strikes your fancy With luck you ll understand more about the Bible after doing so *The*

Living Church ,1946 **Yahweh and Moses in Conflict** John T. Willis,2010 The interpretation of Exodus 4 24 26 is very controversial Scholars have treated this text from various viewpoints on the basis of divergent methods or approaches Two fundamental problems cause uncertainty about the origin and meaning of this text One problem has to do with the nature of Exod 4 24 26 Another problem is the identity of the persons mentioned in Exod 4 24 26 This book arranges forty two documented interpretations under each approach or approaches presenting the view of each scholar proposing his her interpretation of Exodus 4 24 26 in chronological order The author presents his own view in the concluding chapter essentially adopting a redactional canonical narrative rhetorical methodology **The Theory of Creation** Jim Schicatano,2001-10 Can the Biblical account of creation be reconciled with current scientific beliefs For over a century the Holy Bible s story of creation has come under considerable scrutiny and derision by the scientific community The length of creation days the Biblical order of creation and man s origin have all been the subjects of heated debates debates that cast further doubts on Biblical accuracy But is such derision warranted The Theory of Creation boldly answers that very question Rather than denounce other theories or repudiate accepted scientific beliefs this is a comprehensive and objective analysis of the first story of the Bible Genesis 1 1 2 4 Each verse is carefully examined for its scientific meaning the original Hebrew text is often referenced popular theories are explored and the purpose and implications of God s actions are addressed Finally the Biblical account of creation is compared to the scientific record In this era of moral relativism when Biblical values are condemned and the sanctity of the Holy Bible is often ridiculed validation of the creation story would be a source of inspiration for believers everywhere In The Theory of Creation Jim Schicatano answers the enduring questions of science and resolves the Biblical Creation debate **Introduction to the Old Testament, set of four books (Prophetic, Poetic, Pentateuch, Historical)** C. Hassell Bullock,David Howard Jr.,Herbert Wolf,2007-09-01 This package contains all four books of An Introduction to the Old Testament set An Introduction to the Old Testament Historical Books An Introduction to the Old Testament Poetic Books An Introduction to the Old Testament Prophetic Books and An Introduction to the Old Testament Pentateuch In An Introduction to the Old Testament Historical Books incredible events amazing love stories larger than life personalities and deep theological implications and themes are just part of the treasure that awaits readers These books tell the story of the nation of Israel and the God who loves her punishes her and always brings this recalcitrant people back to Himself In An Introduction to the Old Testament Poetic Books C Hassell Bullock a noted Old Testament scholar delves deep into the hearts of the five poetic books offering readers helpful details such as hermeneutical considerations for each book theological content and themes detailed analysis of each book and cultural perspectives In An Introduction to the Old Testament Prophetic Books C Hassell Bullock presents a clear picture of some of history s most profound spokesmen the Old Testament prophets and the God who shaped them Our generational distance from the age of the prophets might seem to be a measureless chasm Yet we dare not make the mistake of assuming that passing years have rendered irrelevant not only the

Old Testament prophets but also the God who comprehends spans and transcends all time In An Introduction to the Old Testament Pentateuch Old Testament expert Herbert Wolf provides layreaders and scholars alike with a strong undergirding of understanding and knowledge in this introduction that reveals both the seriousness and excitement of the Pentateuch
