Saricks, 2009 This revised edition provides a way of understanding the vast universe of genre fiction in an easy to use format Expert readers advisor Joyce Saricks offers groundbreaking reconsideration of the connections among genres *Whodunit?* Rosemary Herbert, 2003-05-08 Who populates the pages of crime and mystery writing Who are the characters we willingly follow into the mystery genre's uneasy imaginative territory And who created those characters in the first place What life experience and expertise informs their work What are the sources of their themes regional accents and even the axes that some grind Why do some wish to give us a good laugh while others seem hell bent on making us shudder Whodunit answers these

questions and more Here mystery expert Rosemary Herbert brings together enlightening and entertaining information on hundreds of classic and contemporary characters and authors Some such as P D James Ian Rankin Sherlock Holmes and Kinsey Millhone appear in individual entries Still more keep company in articles about characters we admire such as the Clerical Sleuth and in pieces about those we love to hate including the Femme Fatale and Con Artist There is even an article on a figure that haunts so many great works of mystery The Corpse Drawing on the Edgar Award nominated volume The Oxford Companion to Crime Mystery Writing Herbert adds 101 new entries on the hottest new names in works ranging from puzzling whodunits to chilling crime novels

Economic Investigations in Twentieth-Century Detective Fiction Yan Zi-Ling, 2016-03-09 In his study of Golden Age and hard boiled detective fiction from 1890 to 1950 Yan Zi Ling argues that these two subgenres can be distinguished not only by theme and style but by the way they structure knowledge value and productive labour Using the detective as a reference point and enactor of socially based interests Yan shows that Golden Age texts are distinguished by their conservatism and not only by their conservatism with the detectives actions serving to stabilize institutions with specific ideological aims In contrast the criminal investigations of the hard boiled detective who is poorly aligned with institutions and strong interest groups reveal the fragility of the status quo in the face of escalating cycles of violence Key to Yan s discussion are theories of exchange value and the gift the latter of which he suggests is more akin to detective work than is wage labour Analyzing texts by a wide range of authors that includes Arthur Conan Doyle Agatha Christie Dashiell Hammett Raymond Chandler Dorothy Sayers Raoul Whitfield George Harmon Coxe and Mickey Spillane Yan demonstrates that the detective s truth generating function most often characterized as a process of discovery rather than creation is in fact crucial to the institutional and class based interests that he or she serves

Encyclopedia of Adventure Fiction Don D'Amassa, 2009 Covers some of the very best of adventure fiction from literary classics such as Charles Dickens A Tale of Two Cities and Joseph Conrad s The Secret Agent to tales that have enthralled younger readers for many years such as Treasure Island and The Wizard of Oz

Revisiting Centres and Peripheries in Iberian Studies

Mark Gant, 2019-08-05 Like its predecessor and companion volume New Journeys in Iberian Studies this volume gathers fresh and emerging research in a range of sub fields of Iberian studies from an international range of established academics and early career researchers The book provides rich evidence of the breadth and depth of new research being carried out in the dynamic field of Iberian studies at present As the title suggests a strong thread running through the collection is concerned with investigating the multiple spaces of tension between the centre and periphery that comprise the Iberian cultural system Topically the current situation in Catalonia naturally comes to the fore in a number of chapters and from a range of perspectives However in the revisiting of a range of cultural products and historical processes undertaken by the contributors it can be seen that transoceanic postcolonial relations are not neglected and concerns with history memory and fiction also weave their way through their work
