Perkins,2017-03-17 Psychological

social and spiritual care is as important as physical care at the end of life Yet caregivers often feel ill equipped to give that nonphysical care This book shows how to do it The book addresses all caregivers who attend dying patients doctors nurses chaplains clergy in the pastorate social workers clinical psychologists family caregivers and others It covers such topics as the functional and emotional trajectories of dying the varied approaches of patients and caregivers to end of life decisions culturally based beliefs about dying the differences between depression and grief and people s views about the right time to die the death experience itself and the afterlife For each topic the book introduces core concepts and summarizes recent research about them The book presents much of its material in readable tables for easy reference applies the material to real life cases lists the main take home points for each chapter and gives references for additional reading The book helps caregivers anticipate the reactions of patients and survivors to end of life traumas and suggests how caregivers can respond insightfully and compassionately At the same time the book challenges caregivers to think through their own views about death and dying This book therefore is a must read for all caregivers professional and nonprofessional alike who strive to give their patients comprehensive high quality end of life care

The Primitives Darlene Barry Quaife, 2024-07-31

In the early months of the Spanish Civil War Canadian American archaeologist Dr Grace Shale Clifden and her inexperienced field crew of well met Canadians Dorothy Livesay P K Page and Sheila Doherty are documenting a rare discovery of prehistoric cave art in Galicia when they are kidnapped A local Spanish commander a Nationalists loyal to Franco and the Fascists believes they are foreign spies and takes them to his ancestral home locking them in underground cells There he enlists his brother Dr Alexandre Castro a psychology professor at the University of Madrid to interrogate the women but instead he secretly forms a bond with them Unlike the commander Alexandre is a loyalist supporting the Republicans nevertheless he is eager to escape the clutches of the State Intelligence Service who plan to force him to devise forms of psychological torture Alexandre convinces his brother to let him chaperone the women while they finish their research as the Smithsonian will pay the commander a hefty sum for it After Shale and the women have compiled their findings Alexandre helps them escape Spain to London with him But while in London they learn of other Canadians who have bravely volunteered to help fight for democracy in Spain despite the dangers and now they too want to help the cause Knowing the war is escalating Alexandre Shale and the women are determined to rescue archives and artifacts from the University of Madrid and help the National Junta for Protection of Artistic Treasure transfer Spain s great art collection to Geneva As they do so they must be braver than ever as the devastating Battle of Madrid is upon them

Neo-Victorian Things Sarah E. Maier, Brenda Ayres, Danielle

Mariann Dove, 2022-07-17 Neo Victorian Things Re Imagining Nineteenth Century Material Cultures in Literature and Film is the first volume to focus solely on the replication reconstruction and re presentation of Victorian things It investigates the role of materiality in contemporary returns to the past as a means of assessing the function of things in remembering revisioning and or reimagining the nineteenth century Examining iterations of material culture in literature film and popular

television series this volume offers a reconsideration of nineteenth century things and the neo Victorian cultural forms that they have inspired animated and even haunted By turning to new and relatively underexplored strands of neo Victorian materiality including opium paraphernalia slave ships clothing and biographical objects and interrogating the critical role such objects play in reconstructing the past this volume offers ways of thinking about how mis apprehensions of material culture in the nineteenth century continue to shape our present understanding of things

Women and Radicalism in Saudi Arabia Hend T. Alsudairy,2022-03-23 This book studies the radical Islam movement in Saudi Arabia from the 1960s to 2019 and exposes the causes of female terrorism and extremism to highlight the dark tunnel of such radicalism and to help others to recognise it before it is too late to be redeemed It highlights radical women as having a dangerous impact on Saudi women especially university students showing that although al Qaeda was not keen on involving women in terrorist operations that does not mean women were totally uninvolved
