brought people online and what keeps us here even as the social equations of digital life what we're made to trade knowingly or otherwise for the benefits of the internet have shifted radically beneath us. It is a story we are accustomed to hearing as tales of entrepreneurs and visionaries and dynamic and powerful corporations but there is a more profound intimate story that hasn't yet been told. Long one of the most incisive ferociously intelligent and widely respected cultural critics online, McNeil here establishes a singular vision of who we are now, tells the stories of how we became us and helps us start to figure out what we do now.

What Is Truth? Nine-Eleven Greg Fernandez Jr., 2018-04 I wrote a book on Nine Eleven but it's just a little book. If I could tell you anything about the events of September 11th 2001, it would be in this book. The basic information inside of this book is enough to warrant a new investigation in my opinion. Still, this is only a small part of the real battle we face each and every day. What is Truth? Jesus Christ is Truth. Nine Eleven is just another attack by evil forces who seek to rule this world. For a short time, evil will reign but only until Christ returns. God Bless you all.

Alt-America David Neiwert, 2017-10-17. This important piece of investigative reportage studies the roots of right wing extremism in American culture and history to understand its modern day resurgence in the Trump era. Just as Donald Trump's victorious campaign for the U.S. presidency shocked the world, the seemingly sudden national prominence of white supremacists, xenophobes, militia leaders and mysterious alt-right figures mystifies many. But the American extreme right has been growing steadily in number and influence since the 1990s with the rise of patriot militias. Following 9/11, conspiracy theorists found fresh life and in virulent reaction to the first black U.S. president, militant racists have come out of the woodwork. Nurtured by

a powerful right wing media sector in radio TV and online the far right Tea Party movement conservatives and Republican activists found common ground Figures such as Stephen Bannon Milo Yiannopoulos and Alex Jones once rightly dismissed as cranks now haunt the reports of mainstream journalism Investigative reporter David Neiwert has been tracking extremists for more than two decades In Alt America he provides a deeply researched and authoritative report on the growth of fascism and far right terrorism the violence of which in the last decade has surpassed anything inspired by Islamist or other ideologies in the United States The product of years of reportage and including the most in depth investigation of Trump s ties to the far right this is a crucial book about one of the most disturbing aspects of American society **Biennial Report of the Auditor of Public Accounts, to the Governor of Illinois** Illinois.
