The Next One is For You Ali Marie Watkins,2025-03-13 Northern Ireland 1975 Violence has erupted on the streets of Belfast After years as a sleepy guerilla army the IRA is clashing with Loyalist gangs and heavily armed British soldiers But the Troubles have spilled beyond the small island An ocean away in the heart of Philadelphia's Irish enclave a teenage girl finds a letter in her mailbox Inside is a bullet and the message is clear The next one is for you From New York Times reporter and Pulitzer finalist Ali Watkins this true crime saga is the long buried story of how a group of Philadelphia gunrunners armed the IRA at the height of the Troubles A ragtag band of carpenters family men and fugitives the Philadelphia Five as they came to be known banded together bolstering the fight for a united Ireland but fuelling the Troubles at an untold cost This small group of Irish nationalists smuggled hundreds of rifles rocket launchers explosives and armour piercing bullets across the Atlantic Ocean and into Northern Ireland Whether they were skimming money from innocuous seeming charities coolly slipping weapons into hidden compartments of vans and houses or scouring local graveyards for the names of dead Irishmen to use on firearm

forms the gunrunners approached their mission to unite Ireland under one flag by any means necessary with ruthless poise even as investigators closed in members of their own movement began to turn on them and bodies stacked up on all sides A gripping tale of crime rebellion and the hazy line between them The Next One Is for You is the definitive account of America's hand in the Troubles a conflict whose resonance is still felt on both sides of the Atlantic today Puritans in the New World David D. Hall, 2021-06-08 Puritans in the New World tells the story of the powerful yet turbulent culture of the English people who embarked on an errand into the wilderness It presents the Puritans in their own words shedding light on the lives both of great dissenters such as Roger Williams and Anne Hutchinson and of the orthodox leaders who contended against them Classics of Puritan expression like Mary Rowlandson's captivity narrative Anne Bradstreet's poetry and William Bradford's Of Plymouth Plantation appear alongside texts that are less well known but no less important confessions of religious experience by lay people the diabolical possession of a young woman and the testimony of Native Americans who accept Christianity Hall's chapter introductions provide a running history of Puritanism in seventeenth century New England and alert readers to important scholarship Above all this is a collection of texts that vividly illuminates the experience of being a Puritan in the New World The book will be welcomed by all those who are interested in early American literature religion and history
