Summary of Jessica Mitford's *The American Way of Death Revisited* Everest Media,2022-06-13T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The funeral industry is a sales industry and the funeral directors are the salesmen They long to be liked and understood and they want to be worthy of high regard They are preying on the grief remorse and guilt of survivors or they are trained professionals with high ethical standards 2 The funeral industry is suffering from a lack of image and identity To solve this Dakota Tom recommends that funeral directors and suppliers produce fifteen to thirty second commercials which affirms the personality of the industry 3 The American Way of Death was a best seller and funeral service went on a diet from which it never recovered Enoch Glascock who had worked in mortuary school explained that funeral homes should do something positive about themselves 4 There are many ways to gain name recognition and patronage One method is to give turkeys at Thanksgiving and Christmas to deserving families which allows everyone to participate *The American Militia Movement: A Comprehensive Overview* Pasquale De Marco,2025-04-26 In a time of increasing social and political polarization the American militia movement has emerged as a significant force to be reckoned with This book provides a comprehensive overview of this complex and controversial phenomenon delving into the history ideology membership and impact of militias in the United States The first chapter traces the historical roots of militias in the United States from their origins as colonial era minutemen to their modern day incarnation as armed citizen groups It examines the factors that have contributed to the growth of militias in recent decades including political polarization the rise of social media and concerns about government overreach The second chapter explores the ideology and beliefs that underpin the militia movement It examines the centrality of the Second Amendment to militia ideology and the belief in the necessity of armed self defense against perceived threats to individual liberty It also examines the role of conspiracy theories anti government sentiments and religious beliefs in shaping militia ideology The third chapter examines the activities and training practices of militias It discusses the types of training exercises commonly conducted by militias the weapons and equipment they typically use and their involvement in local and state politics It also explores militia involvement in protests demonstrations and armed standoffs The fourth chapter explores the demographics and motivations of militia members It examines the diversity of militia membership including age gender racial makeup educational and socioeconomic backgrounds and geographic distribution It also delves into the reasons why individuals join militias ranging from concerns about government overreach to a desire for community and belonging If you like this book write a review on google books [SUMMARY - The People's Tycoon: Henry Ford And The American Century By Steven Watts](#) Shortcut Edition,2021-06-08 Our summary is short simple and pragmatic It allows you to have the essential ideas of a big book in less than 30 minutes By reading this summary you will learn what are the main features of the life of Henry Ford 1863 1947 one of the main inventors of modernity You will also learn that Henry Ford was the son of farmers in the

Midwestern state of Michigan Lenin was an admirer of Henry Ford Henry Ford was anti Semitic He was also anti Catholic Ford paid high wages to his workers Ford was one of the first promoters of camping Henry Ford is a myth and a myth that is hard to get around If Steven Watts biography does not claim to be exhaustive it nevertheless highlights the founding contradictions of this mythical man At once an anti Semite and a champion of the cause of Blacks in racially segregated America a loving husband but with a son from another woman a boss who was generous with his workers but opposed to unionism One would never cease to underline the complexity of Henry Ford A complexity admirably served by this work which for the first time uses for the first time some archival documents that had never before been exploited Buy now the summary of this book for the modest price of a cup of coffee [Summary of Bill O'Neill & Dwayne Walker's The American](#)

[Civil War Trivia Book](#) Everest Media,2022-07-24T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The American South was facing a problem during the nineteenth century The rich were realizing that the money wasn't in farming but in factories and manufacturing goods The plantation owners were in danger of being judged by their Northern counterparts **Sacred Dialogues: Christianity and Native Religions in the Colonial Americas**

1492-1700 Nicholas Griffiths,2017 A Spanish conquistador who posed as a sorcerer and cured native Americans as he trekked across an unknown wilderness a French Jesuit who conjured rain clouds in order to impress his indigenous flock with the potency of Christian magic a Puritan minister who healed a native chief in order to win him for God a Mexican noble who was burned at the stake for resisting the gentle Franciscan friars an Andean chief who was haunted by nightmares in which his native gods did battle with the Christian Father a Huron magician who vied with French missionaries over spirits of the night in a shaking tent ceremony These are a few of the individuals whose struggles are brought to life in the pages of this book Their experiences among others reveal what happened when Christianity came into contact with Native American religions in three distinct regions of sixteenth and seventeenth century colonial America Spanish French and British

[Development, Trade, and the WTO](#) Bernard M. Hoekman,Aaditya Mattoo,Philip English,2002 Publisher's description Developing countries are increasingly confronted with the need to address trade policy related issues in international agreements most prominently the World Trade Organization WTO New WTO negotiations on a broad range of subjects were launched in November 2001 Determining whether and how international trade agreements can support economic development is a major challenge Stakeholders in developing countries must be informed on the issues and understand how their interests can be pursued through international cooperation This handbook offers guidance on the design of trade policy reform surveys key disciplines and the functioning of the World Trade Organization WTO and discusses numerous issues and options that confront developing countries in using international cooperation to improve domestic policy and obtain access to export markets Many of the issues discussed are also relevant in the context of regional integration agreements Separate sections of the handbook summarize what constitutes sound trade policy the major aspects of the WTO from a development

perspective policy issues in the area of merchandise trade and the liberalization of international transactions in services protection of intellectual property rights and economic development new regulatory subjects that are emerging in the agenda of trade talks and enhancing participation of developing countries in the global trading system **Summary of Newt**

Gingrich's Trump and the American Future Everest Media,2022-05-09T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 Trump s supporters should not kid themselves The 2016 election was just a beginning The decisive election is in 2020 If the combined weight of the radical Democratic Left can defeat him then Trump will be recorded in history as a temporary detour on the march to a socialist leaning America 2 To understand the Trump presidency you must first look at the man who creates it Trump s unique style developed from his upbringing He knew that voters were customers and he knew how to reach large numbers of them 3 Trump learned that fighting with the most widely read gossip column in New York worked in getting him attention He had a massive Twitter and Facebook following that allowed him to communicate with the public instantly 4 Trump was an outsider in politics and many people love those in political elections Trump was able to operate outside all accepted boundaries of traditional politics and this delighted millions

Ron Cockrell,1999 World-wide Import Detention Summary ,1991 **Avoiding Travel Through the United States** Turner Travel Guides,2025-04-01 Ah the United States Land of the Free to queue for hours answer surprisingly personal questions and potentially have your phone treated like a national security threat just because you wanted a cheaper flight to Canc n Let s face it transiting through the US isn t just a stopover it s an experience An experience involving unique interpretations of transit spoiler they don t really do it a thrilling visa lottery ESTA or C 1 Spin the wheel and the ever present possibility of winning the coveted SSSS designation on your boarding pass your golden ticket to a bonus security screening party If the thought of explaining that leftover sandwich in your bag or navigating the fascinating legal gray zone of having once smelled legal Canadian cannabis fills you with weary resignation rather than adventurous glee then this guide

is your new best friend Avoiding Travel Through the United States is less a travel book and more an escape manual for the globally mobile but US transit averse We start by affectionately dissecting why you might want to give Uncle Sam's airports a wide berth We'll unpack the magic of no sterile transit because who doesn't love entering a country just to leave it the delightful bureaucratic ballet of visas and the sheer unadulterated joy of unpredictable delays We'll even touch upon the exciting world of border security innovations from the mystery box that is the No Fly list to the intimate digital meet and greet your devices might enjoy Special shout out to our Canadian friends navigating the hazy world where legal weed back home meets federal frowns down south But fear not weary traveler This guide doesn't just poke the eagle it charts a course around its nest We provide the intel you need cunning flight search strategies airline alliance loopholes and the secret handshake for finding routes that don't involve a complimentary interrogation Discover the glorious alternatives There's Canada the polite neighbor upstairs mind their own rules though Europe the sophisticated detour offering croissants instead of questioning The surprisingly well connected lands Down Under in Oceania The bustling hubs of Asia Even Africa offers pathways less scrutinized We'll show you how to hop around the Americas without playing US border bingo So reclaim your travel time and your privacy Swap the potential SSSS shuffle for a smoother connection elsewhere Avoiding Travel Through the United States is your permission slip to explore the world without the optional stress test Consider it your guide to international travel on easy mode Safe and hopefully less randomly selected travels

MULTICULTURAL ASPECTS OF HUMAN BEHAVIOR Willie V. Bryan, 2014-04-01 This third edition has a title modification in that the previous two editions were titled Multicultural Aspects of Disabilities A Guide to Understanding and Assisting Minorities in the Rehabilitation Process This edition is titled Multicultural Aspects of Human Behavior A Guide to Understanding Human Cultural Development The reason for the title modification is to expand and emphasize cultural impacts with regard to human behavior and in doing so the goal is to identify factors which impact cultural development and cultural perceptions of various groups of people such as persons with disabilities ethnic racial minorities women the elderly as well as gays lesbians and people of different religious denominations Each chapter has an informative outline of the content Chapters 1 and 2 establish the meaning of culture and understanding the human behavior Chapter 3 addresses discrimination Chapter 4 discusses religion Chapters 6-9 review the African Asian Hispanic Americans and the American Indians Chapter 10 presents some history of the battles women have faced throughout the years Chapter 11 addresses the African Asian Hispanic American and American Indian elderly The concluding chapter defines the gay lesbian transgender and bisexual people and their cultural evolution This third edition continues the theme of providing information with regard to factors that impact the lives of racial ethnic minorities as well as women and the elderly in America however the updates and addition of new chapters will make the text a more complete discussion of cultural information needed by professional helpers as they work with their clients and patients

Los Paisanos Oakah L. Jones, 1996 Little has been written about the colonists sent by Spanish authorities to

settle the northern frontier of New Spain to stake Spain's claim and serve as a buffer against encroaching French explorers. Los Pisanos they were called simple country people who lived by their own labor isolated threatened by hostile Indians and restricted by law from seeking opportunity elsewhere. They built their homes worked their fields and became permanent residents the forebears of United States citizens as they developed their own society and culture much of which survives today.

The Native Peoples of North America Bruce Elliott Johansen, 2006 Covering Central America the United States and Canada this book not only provides an introduction to the history of North American Indians but also offers a description of the material and intellectual ways that Native American cultures have influenced the life and institutions of people across the globe.

Recarving Rushmore Ivan Eland, 2014-10-01 Who were the best and worst U S presidents In the past when historians and scholars have rated the presidents their evaluations often have been based on individual charisma activism and service during periods of crisis Taking a distinctly new approach in Recarving Rushmore Ivan Eland profiles each U S president from Washington to Obama on the merits of his policies and whether those strategies contributed to peace prosperity and liberty This ranking system is based on how effective each president was in fulfilling his oath to uphold the Constitution Contrary to the preferences of modern conservatives and liberals this oath was intended to limit the role of the federal government Readers will be intrigued to discover why of the four men given exalted representations on Mount Rushmore only Washington deserves the honor They will learn why Teddy Roosevelt has been overrated why Jefferson hypocritically violated his lofty rhetoric of liberty and why Lincoln provoked a civil war that achieved far less than believed Readers will uncover why some presidents are rated much higher than the conventional wisdom for example Warren Harding and some rank much lower for example Harry Truman As for more modern U S chief executives Republicans will be astounded to learn that Nixon was the last liberal president and that Reagan wasn't all that conservative Democrats will be amazed to learn that Clinton was in some respects more conservative than George W Bush and why both Obama and Bush are ranked as bad Readers will learn why the author goes against the grain and anoints Eisenhower and Carter as the two best modern presidents

The Great Basin Donald Grayson, 2011-04-18 The Great Basin centering on Nevada and including substantial parts of California Oregon and Utah gets its name from the fact that none of its rivers or streams flow to the sea This book synthesizes the past 25 000 years of the natural history of this vast region It explores the extinct animals that lived in the Great Basin during the Ice Age and recounts the rise and fall of the massive Ice Age lakes that existed here It explains why trees once grew 13 beneath what is now the surface of Lake Tahoe explores the nearly two dozen Great Basin mountain ranges that once held substantial glaciers and tells the remarkable story of how pinyon pine came to cover some 17 000 000 acres of the Great Basin in the relatively recent

past These discussions culminate with the impressive history of the prehistoric people of the Great Basin a history that shows how human societies dealt with nearly 13 000 years of climate change on this often challenging landscape Provided by publisher
